Caltrans Construction Notice

SOUTHBOUND I-5 FREEWAY CLOSURES

I-5 HOV Improvements – SR-118 to SR-170

June 2013

Caltrans is constructing a carpool lane on I-5 between SR-118 and SR-170, a new northbound connector between I-5 and SR-170, and a new carpool lane connector between I-5 and SR-170.

WHAT

The weekends of June 1 and June 8, crews will demolish the old northbound I-5/SR-170 connector. For the safety of motorists, **this work will require two night closures of southbound I-5 between the I-5/SR-170 interchange and Sheldon Street, as well as night closures of southbound I-5 on-ramps at Terra Bella Street and Osborne Street. Additionally, the westbound and eastbound SR-118 connectors to southbound I-5 will be closed.** (Motorists traveling on eastbound and westbound SR-118 and *not* connecting to southbound I-5 will NOT be impacted.)

WHERE

- Southbound I-5 between the I-5/SR-170 interchange and Sheldon Street
- Westbound SR-118/I-5 connector to southbound I-5
- Eastbound SR-118/I-5 connector to southbound I-5

You may hear construction noise during the closure, but it will not exceed levels allowed by state and federal regulations. You may also notice extra lighting and a temporary increase in traffic on local streets.

WHEN
