STATE ROUTE 99
NIGHTLY LANE CLOSURES
SCHEDULED FOR NEXT WEEK IN GOSHEN

The California Department of Transportation (Caltrans) in cooperation with Papich Construction, Inc. announces nightly lane closures of northbound and southbound State Route 99 in Goshen, in Tulare County. These closures are part of the current State Route 99 Tulare to Goshen-North Segment Widening Project.

Night-time lane closures will be as follows:

Northbound and Southbound State Route 99 in Goshen will be reduced to one lane in each direction between 7:00 p.m. to 6:00 a.m. nightly, beginning Sunday evening, March 2nd through Friday morning, March 7th, 2014.

During these closures, the #1 lane (left lane) in each direction will be closed, reducing State Route 99 to one lane in each direction while crews are working. Commuters will experience delays and are encouraged to take alternate routes whenever possible. California Highway Patrol (CHP) will be on site assisting with traffic control. Motorists are expected to obey all traffic laws.

For updates and information regarding lane closures, commuter alerts and construction schedules during the length of this construction project, visit the Caltrans District 6 website, at **www.dot.ca.gov/dist6** and click on the Tulare to Goshen logo.
