2008/9-2013/14 Highway Bridge Program

This report includes projects that may be programmed under the Local Bridge lump sum grouping in the FSTIP. This list identifies projects that are in the Non-MPO regions of the State.

4/6/2010, 10:18 AM

Notes:

1) This is the FTIP lump sum “backup” list for HBP funded projects that are in Non-MPO Areas of the State. Please see the Local Assistance web site for the most current listings.

2) The purpose of this list is to show which projects being advanced by local agencies have met the eligibility requirements of the federal Highway Bridge Program and have been prioritized for funding by the Department in cooperation with local agencies for funding.

3) Guaranteed funding levels are determined at time of federal authorization and obligation for given phase of work. For details see Chapter 3 of the Local Assistance Procedures Manual.

4) For FTIP/FSTIP purposes, Federal Highway Bridge Program (HBP) funding constraint is managed by Caltrans.

5) Prop 1B bond funds for the Local Seismic Safety Retrofit Program (LSSRP) used for matching federal funds are also managed by Caltrans.

6) Financial constraint of LOCAL matching funds (including regional STIP funds) and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.

7) Some projects show that they are programmed using State STP funds. These funds are HBP funds transferred to the STP for bridge work that is not ordinarily eligible for HBP funds. See the HB Program Guidelines for details. Do not confuse these STP funds with Regional STP funds.

Note id: 19

2008/9-2013/14 Highway Bridge Program

This report includes projects that may be programmed under the Local Bridge lump sum grouping in the FSTIP. This list identifies projects that are in the Non-MPO regions of the State.
