Submission of DBE Good Faith Effort Documentation
State of California Department of Transportation
Contract No. 05-0F7004

Section 3

3. For each item of work made available, indicate whether the bidder provided plans and specification sections specific to the items of work being offered, list the selected firm and its status as a DBE, the DBE's that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE. Provide copies of each DBE and Non-DBE quote submitted to the bidder whenever a Non-DBE firm was selected over a DBE for work on the contract:

Please See Attached Selected/Rejected spreadsheet for the following information:

Item(s) of Work	Provided Plans and Specs for Work Offered Y/N	Name of Selected Firm	DBE or non-DBE	Name of Rejected Firm	Quote ($)	Price Difference ($)

If the firm selected for the item is not a DBE, provide the reasons for the selection on a separate sheet and attach names, addresses and phone numbers for the firms listed above. Provide evidence as to why additional agreements could not be reached for DBE's to perform work.

Quotes are provided directly behind the Selected/Rejected Firms spreadsheet. All firms were offered access to the Caltrans Office Engineer website for plans and specs by a website link in our invitations and advertisements. We also offered to allow them to make an appointment and view plans and specs in our office. We received no requests from any firms for an appointment to meet or review plans and specs in our office.

Please see attached DBE quotes, and Non DBE quotes, where selected in lieu of DBE. Attached quotes include name, address and phone number information of the firm.
