RE: Contract 02-0E0904; Bids Opened November 19, 2015

Mr. McMillan,

Golden State Bridge, Inc. (GSB) respectfully submits this letter to advise the Department of an inadvertent clerical error in its bid submission on November 19, 2015 for Contract No. 02-0E0904.

GSB listed its Subcontractor Pacific Coast Drilling (PCDC) for items #84, #85, #86 and #156 (mobe-portion). GSB inadvertently did not list a description of work for items #85 and #86. Items #85 and #86 on PCDC's quote did not include access or spoil removal, and as such GSB listed them for 90% value of those items. Attached is a copy of PCDC's quote. The quote shows PCDC's bid for items #85 and #86 is 90% of GSB's bid numbers for those same items.

In an effort to complete sub listings for the 90+ items subcontracted on this project, the description of PCDC's 90% bid items is clearly an inadvertent error that can be waived by the Department. GSB represents that this inadvertent error is not material in any way on this bid, nor does GSB gain an advantage from this inadvertent clerical error.

Respectfully,

David Riccitiello
President, Golden State Bridge, Inc.

The following Terms and Conditions are part of this quotation. They will attach to and become a part of the subcontract. Should there be conflicts between these conditions and conditions of the general contract, the above conditions shall prevail.

PACIFIC COAST DRILLING COMPANY (PCDC) TERMS AND CONDITIONS

This proposal is based upon the following Terms and conditions, which are to be provided and paid for by others. By signing below, you also acknowledge that U.S.A. Dig (1-800-227-2600) has been properly notified and their services provided for this project, and PCDC is not liable or at all responsible for providing utility location services on this project.

1. All required field engineering and layout, including clearly marked center hubs and elevations at each shaft location.
2. All required soil, concrete and material testing. All special inspections and/or monitoring.
3. The protection, relocation, removal and/or repair of all utilities that interfere with Pacific Coast Drillings scope of work.
4. Removal and disposal of all drill spoils and drill fluids/displaced ground water so as not to interfere with or impede the progress of the drilling operation by others. Unless other wise specified.
5. A suitable concrete wash out pit/area for PCDC's use to be supplied and maintained by others.
6. Removal of all form work / sonotube by others.
7. Traffic control or protection including all personnel, any labor and/or equipment that may be required, such as street cleaning, barricades, fences or handrails.
8. Water, electrical power, a concrete wash out area within 50' of any work location, sanitary facilities and an osha approved heat relief shade area will be made available by others for PCDC.
9. All on site licenses and/or permits. All easements or permissions for performance of drilling subcontractor's work.
10. Suitable on site area(s) for the drilling subcontractor's office, storage and/or fabrication of materials.
11. If reinforcing steel is too be furnished by others, it is to be tied sufficiently for lifting and convenient to shaft locations at no cost to the drilling subcontractor. Including any bending of bars in order to use casing
12. No back charges of any kind will be accepted or considered, unless they have been signed for by an authorized PCDC representative on a daily basis.
13. This proposal is based on PCDC personnel working a straight-time work week. The premium time portion of any overtime work directed will be charged as extra work.
14. Any cleaning of the Piers beyond that which the normal drilling tools will achieve which may be required to perform this work; it will be performed on an hourly, time and material basis.
15. Pacific Coast Drilling Co. shall be excused for delays in the completion of the contract caused by acts of God, action or non-action of owner, owner's agents or employees, the General Contractor, other contractors on the project, inclement weather, labor disputes, acts of public utilities, public bodies, extra work, failure of owner of General Contractor to make progress payments, or other contingencies, that are beyond the control of PCDC.
16. We have relied on plans and specifications received for bidding purposes, PCDC shall be entitled to compensation for extra cost incurred as a result of erroneous plans or specifications lack of received information. Should conditions be encountered in the performance of our scope of work which differ from (A) Those indicted by the contract documents or soils data furnished to PCDC, or (B) Those ordinarily encountered and generally recognized as inherent in work of the character provided in the contract, an equitable adjustment will be made to cover the costs of those impacts. If the Piers are designed deeper than the soil borings, we have assumed that the material to be drilled is similar to that which was encountered to the depth explored. Should this not be the case, any added expense to us is to be paid for as extra work.
17. Payments due pursuant to the terms and conditions recited herein are to be made upon the presentation of PCDC's invoice to owner/contractor. Invoices must be paid without fail within thirty days. Overdue balances with be charged interest at the maximum amount provided by law. No retention shall be withheld form the payments due pursuant to the presentation of the invoice.
18. Owner/Contractor agrees to pay reasonable attorney's fees and court costs if PCDC is required to bring legal action to collect any rental or other sums due, as provided herein, of collection of any loss, damage or injury to leased equipment or persons or property involved in the use of such equipment where any such loss, damage or injury occurs as a direct result of the acts of owner/contractor.
19. Upon request, PCDC will provide certificates of insurance in that amounts and in accordance with the coverage PCDC presently has. The costs associated with such coverage will be quoted upon request. Additional insurance and the coverage afforded there under will be quoted on request. Naming others as additional inures under PCDC's existing insurance will be charged at cost.
20. This agreement involves the performance of work for Contractor and/or Property Owner (s) on Contractors or Property Owners premises. Contactor and/or Property Owner(s) agrees to indemnify Pacific Coast Drilling Company, against all losses, expenses, claims and liability of any nature resulting from injury of damages to person(s) or property caused by, or resulting from performance of such work, except for injuries or damages caused by the sole negligence of PCDC.
21. This bid proposal shall remain open for a period of thirty days from the date, and PCDC reserves the right to withdraw this bid proposal at any time within the afore mentioned thirty days unless accepted by owner/contractor in writing prior to the date of withdrawal. This bid proposal shall expire by its own terms if not accepted within thirty days from the date.

The above prices, specifications, terms and conditions are satisfactory and hereby accepted. You are hereby authorized to begin work.
