GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) All areas to be ground shall be clearly marked by the General Contractor or Inspector before grinding operation starts.
2) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
3) A minimum of two weeks notice is requested to schedule move in. Machines are on a first come first served basis subject to availability. A 72 hours notice of change in schedule is requested.
4) Modification to the work may require a change in the quote.
5) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
6) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
7) Prices are good for 30 days of the date of this proposal, after that date the prices are subject to adjustment.
8) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
9) This proposal to be attached and made part of any and all resulting contracts.
10) The above price does not include permits, fees, bonding, state or local taxes.
11) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
12) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
13) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

Todd Wheeler

GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) All areas to be ground shall be clearly marked by the General Contractor or Inspector before grinding operation starts.
2) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
3) A minimum of two weeks notice is requested to schedule move in. Machines are on a first come first served basis subject to availability. A 72 hours notice of change in schedule is requested.
4) Modification to the work may require a change in the quote.
5) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
6) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
7) Prices are good for 30 days of the date of this proposal, after that date the prices are subject to adjustment.
8) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
9) This proposal to be attached and made part of any and all resulting contracts.
10) The above price does not include permits, fees, bonding, state or local taxes.
11) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
12) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
13) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) All areas to be ground shall be clearly marked by the General Contractor or Inspector before grinding operation starts.
2) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
3) A minimum of two weeks notice is requested to schedule move in. Machines are on a first come first served basis subject to availability. A 72 hours notice of change in schedule is requested.
4) Modification to the work may require a change in the quote.
5) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
6) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
7) Prices are good for 30 days of the date of this proposal, after that date the prices are subject to adjustment.
8) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
9) This proposal to be attached and made part of any and all resulting contracts.
10) The above price does not include permits, fees, bonding, state or local taxes.
11) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
12) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
13) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

Todd Wheeler

GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) All areas to be ground shall be clearly marked by the General Contractor or Inspector before grinding operation starts.
2) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
3) A minimum of two weeks notice is requested to schedule move in. Machines are on a first come first served basis subject to availability. A 72 hours notice of change in schedule is requested.
4) Modification to the work may require a change in the quote.
5) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
6) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
7) Prices are good for 30 days of the date of this proposal, after that date the prices are subject to adjustment.
8) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
9) This proposal to be attached and made part of any and all resulting contracts.
10) The above price does not include permits, fees, bonding, state or local taxes.
11) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
12) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
13) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

Todd Wheeler
