We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable for any back charges, surcharges, and or costs related to delays. If dispatched equipment/driver is not able to perform on scheduled day and client is provided notice of the same, unless such circumstances exist that render such notice impossible, client will be responsible for acquiring a replacement. Client agrees to assume any and all liability for delay due to this circumstance. This clause remains in effect from the date of this proposal. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services)The parties agree that the contents herein are deemed o proposal until the contract is awarded to Wells Sweeping, at which time the terms and conditions stated herein become binding. *Small surcharge may be added to cover fluctuations in fuel costs.

We look forward to providing you with quality service.
