Re:	Bid Protest of Low Bidder
Bid Opening:	December 3, 2015 2:00 P.M.

Dear Mr. McMillan,

VSS International (VSSI) received a letter dated January 14, 2016 from the California Department of Transportation (Caltrans). The letter states the VSSI's initial bid protest lacks merit. The letter goes on to state that due to the fact that Wells Sweeping is performing work that does not require a contractor's license; they are not required to be listed on the subcontractor form.

The bidding instructions do not state that contractors without contractor's licenses or contractor's performing work that does not require license is excluded from being listed as a subcontractor. Wells Sweeping submitted a bid to perform work on this contract and therefor is a subcontractor. Wells Sweeping was listed by Northwest paving on the DVBE listing as a subcontractor.

Wells Sweeping is a subcontractor as described in Business and Professions code section 7026. "... 'Contractor' is synonymous with "builder' and, within the meaning of this chapter, a contractor is any person who undertakes to or offers to undertake to, or purports to have the capacity to undertake to, or submits a bid to, or does himself or herself ... or the cleaning of grounds or structures in connection therewith..." Caltrans goes on to interpret this as a company that is providing equipment rental with operator services is required to be listed.

Attached is (**Exhibit E**) Bid Summary for 02-0H9704 which bid on January 13, 2016. On page 16 of this exhibit, Wells Sweeping is listed correctly as a subcontractor without a contractor's license.

If Caltrans chooses to award this project to Northwest paving; Caltrans would not be following the bidding instructions as set forth in the bid documents and on the DVBE summary form that requires the documents to be consistent.

Signed,
Michael A. Harrison
