1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
2) Modification to the work may require a change in the quote.
3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
5) All teeth over one complete set will be charge to the contractor.
6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
7) In the event there is an increase in the cost of fuel of more than $0.50 per gallon during the performance of this contract, ABSL will be entitled to a $75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.

13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.

Fuel Surcharge Assessment:

A fuel surcharge is assessed when fuel prices reach $4.00 per galloo as reported by the U.S. Energy Information Administration. The fuel surcharge is 1% for every $0.10 increase in fuel prices, or portion thereof.
The breakdown is as follows:

Diesel price $/gallon	% increase to hourly/tonnage rate
$4.00 - $4.099	1%
$4.10 - $4.199	2%
$4.20 - $4.299	3%
$4.30 - $4.399	4%
$4.40 - $4.499	5%
$4.50 - $4.599	6%
$4.60 - $4.699	7%
$4.70 - $4.799	8%
$4.80 - $4.899	9%
$4.90 - $4.999	10%
$5.00 - $5.099	11%
$5.10 - $5.199	12%
$5.20 - $5.299	13%
$5.30 - $5.399	14%
$5.40 - $5.499	15%

*$5.50 and above add an additional 1% for each $0.10 increase in price per gallon.

Fuel prices are checked weekly and any increase is based on the weekly retail on-highway diesel prices found at: **www.eia.doe.gov/oog/info/wohdp/diesel.asp**.

All fuel surcharges will be billed separately. After the assessment of the fuel prices at the end of the week, if a surcharge is applicable, a bill for the surcharge would be generated based on the hours worked within that week.

A signed work/purchase order constitutes acceptance of these terms.

Thank you.

Lennar to Develop Massive Candlestick Park Project

By Greg Aragon

Lennar Corpand retail developer Macerich on November 17 announced a joint venture partnership to develop a 500,000 sq-ft urban outlet project at Candlestick Point in San Francisco. The development will be an anchor to a new community that Lennar currently has under construction at Candlestick Point, which is located on the site of the former Candlestick Park sports stadium.

Project officials say the Candlestick Point project is expected to create more than 3,000 permanent jobs and deliver more than 6,000 homes. Just north of Candlestick Point, Lennar is also developing The San Francisco Shipyard project, located at Hunters Point, on 700 acres of land that used to be a US Navy military base beginning in the 1940s. Together, these two projects will deliver more than 10,000 new residences.

Lennar says that the Candlestick Point development will be one of the largest urban mixed-use projects in the United States. In addition to the urban outlet component, the project will feature a diversity of commercial offerings, including neighborhood retailers, a restaurant village, an African diaspora-themed marketplace, movie theaters, a performance venue and hotel.

The project will also include rental and for-sale homes, all anchored by a first-of-its-kind urban outlet shopping district that will feature major regional, national and international retailers. Lennar and Macerich are 50/50 partners on the development.

Randy Brant, Macerich's executive vice president, real estate, said in a news release that Candlestick Point is a "prime location in one of the strongest regional economies." Santa Monica, CA-based Macerich's retail development experience includes Broadway Plaza in Walnut Creek, Santa Monica Place in Santa Monica, and The Village at Corte Madera in Corte Madera, CA.

The launch of the Candlestick development will be marked by demolition of the now dormant Candlestick Park in winter 2015 and will include more than $1 billion of new investment and infrastructure over the next four years. The new investment will include

The site around San Francisco's defunct Candlestick stadium will make way for a 500,000-square-foot mall, a joint development between homebuilder Lennar Corp. and mall operator Macerich.

Lennar to Develop Massive Candlestick Park Project

By Greg Aragon

Lennar Corpand retail developer Macerich on November 17 announced a joint venture partnership to develop a 500,000 sq-ft urban outlet project at Candlestick Point in San Francisco. The development will be an anchor to a new community that Lennar currently has under construction at Candlestick Point, which is located on the site of the former Candlestick Park sports stadium.

Project officials say the Candlestick Point project is expected to create more than 3,000 permanent jobs and deliver more than 6,000 homes. Just north of Candlestick Point, Lennar is also developing The San Francisco Shipyard project, located at Hunters Point, on 700 acres of land that used to be a US Navy military base beginning in the 1940s. Together, these two projects will deliver more than 10,000 new residences.

Lennar says that the Candlestick Point development will be one of the largest urban mixed-use projects in the United States. In addition to the urban outlet component, the project will feature a diversity of commercial offerings, including neighborhood retailers, a restaurant village, an African diaspora-themed marketplace, movie theaters, a performance venue and hotel.

The project will also include rental and for-sale homes, all anchored by a first-of-its-kind urban outlet shopping district that will feature major regional, national and international retailers. Lennar and Macerich are 50/50 partners on the development.

Randy Brant, Macerich's executive vice president, real estate, said in a news release that Candlestick Point is a "prime location in one of the strongest regional economies." Santa Monica, CA-based Macerich's retail development experience includes Broadway Plaza in Walnut Creek, Santa Monica Place in Santa Monica, and The Village at Corte Madera in Corte Madera, CA.

The launch of the Candlestick development will be marked by demolition of the now dormant Candlestick Park in winter 2015 and will include more than $1 billion of new investment and infrastructure over the next four years. The new investment will include

The site around San Francisco's defunct Candlestick stadium will make way for a 500,000-square-foot mall, a joint development between homebuilder Lennar Corp. and mall operator Macerich.
