Dear Ms. Mendoza de McRae:

The Department of Transportation (Caltrans) received a letter from PTM General Engineering Services, Inc. (PTM) for Contract 07-3X9204 on November 26, 2014. PTM protests Caltrans original nonresponsive findings as being minor and inconsequential; and therefore requests award of Contract 07-3X9204 to PTM.

As you are aware, Caltrans Revised Standard Specifications, Section 2.1-33, BID DOCUMENT COMPLETION AND SUBMITTAL, which states in part:

> *"...on the Subcontractor list you may either submit the percentage of each bid item subcontracted with your bid or fax the percentage to (916) 227-6282 within 24 hours after bid opening."*

Caltrans confirms that it received the Subcontractor List form on October 31, 2014, 3:18 p.m., which is beyond the time submission for the bid to be considered responsive. For this reason, it remains the findings of Caltrans that this bid is nonresponsive.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provided all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
