Ref: **FY 2005-06 STIP/SHOPP PENDING ALLOCATION LIST**

ISSUE:

At the July 13-14, 2005 meeting, the California Transportation Commission (Commission) adopted the STIP/SHOPP Allocation Plan and Criteria (the Plan) that sets forth the funding priorities for projects programmed in the State Transportation Improvement Program (STIP) and the State Highway Operation and Protection Program (SHOPP) in Fiscal Year (FY) 2005-06. The need to prioritize the allocation of projects for FY 2005-06 is due to the uncertainty of available transportation funding.

At the August 18, 2005 meeting, the Commission established a pending allocation list for projects where the agency has requested an allocation, but funding is not available to enable the Commission to approve the request for funding. In the meantime, implementing agencies continue to submit allocation requests for projects that have been delivered. The attached list identifies 21 SHOPP allocation requests totaling $59,057,000 and 99 STIP allocation requests totaling $42,143,000 that have been deferred since July 2005.
