However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

3. For each item of work made available, indicate whether the Bidder provided plans and specifications specific to the items of the work being offered, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE. Provide copies of each DBE and Non-DBE quote submitted to the Bidder whenever a Non-DBE firm was selected over DBE for work on the Contract.

Participation is estimated based on the fact that **Cal trans/Dot 49cfr** requires that the working truck itself be owned by a certified minority. It is difficult to get certified so this is tough to accomplish. By working with 2 firms it helps to bump participation. Each firm needs to be listed separately.

ATTN: ESTIMATING FROM: SUSAN JONES * JESUS AMEZCUA JR.

HWY 84 LIVERMORE 6-17-15 **DOUBLE BOTTOMS**

It is questionable as to where the trucks will be turning around on various days. In several places they would need help with traffic control in order to turn around. The bid is based on having this help. The AC paving loop times have a small allowance for traffic, turn around, and minor delays at jobsite included as well as load time. The baserock haul rates are based on help with turn-around at each delivery location. The areas are wide enough it's just the traffic. **Check for dump fees on dirt at CeMex/Vulcan. Haul is hourly.**

Vulcan Rock: $ 4.22
AC: Hourly, 77 min loop est.
Dirt: 47 min est if dumping near the side gate

CeMex Rock: 3.22
Dirt 50 min

Granite AC 57 min

Hanson AC 85 min

Sunol Agg 88 min

Sheridan pit: 5.73

Rip Rap in Semi Ends:

Foothill Materials: $ 23.00/ton
Table Mtn O'Byrnes 27.00
Jackson Ione 22.00

Bid is a package to perform 100% of all sbe, dbe & non dbe trucking unless otherwise agreed to. Dirt must be clean, tested properly, free of debris, compactible, and to have a production rate that warrants a crew. Quoted in Double Bottoms unless otherwise noted. Dirt is quoted with a combo of Dbl Btms & Smi

Btms. **Tonnage/load rates are only valid with stand-by paid in full on both ends** (except our sites) after 10 min. @ hrly rate. All other trucking is hourly at the following rates: Weekdays: Trfers, Semi Ends/Semi or Dbl Btms:$ 103.00 10 Wheelers: $ 95.00 Super Dumps: $ 105.00 Trucks are a 6 hr min. Flatbeds: $ 105.00, 7 hr min. Add $ 5.00 per hour for union trucks. Add $ 5.00 per hr for Sat $ 10.00 hr for Sun. Excessive backing is not provided for with dirt load rate. All rates are valid through **12-31-16**. At that time they will be subject to a 5% increase and an additional 5% each year thereafter. Fuel surcharges: If fuel increases by $ .25 per gal.2% shall be added. For every .25 increase in fuel, an add'l 2% shall apply. **OGAC, rubber, wet ctb is Hourly with clean out of 1 hr** added. **Night work is a 7 hr min**. Solution needs to be provided at hot plant. Continued

Rates are based on timely payment **Please know that all trucks are required to be in compliance with EPA as of this date and it is the legal responsibility of those that hire them to make sure of this.** Tarping and prevailing wage is included.

Seller will not be responsible for property damage from any cause beyond the limit and coverage provided by Seller's insurance and Purchaser agrees to hold Seller harmless including its members, employees, and managers from the cost and expenses of any such damage.

23) Any dispute(s) arising out of this proposal, order and/or agreement, shall be settled by arbitration. Each party shall select one arbitrator. The two selected arbitrators shall select the rules, venue and then a third arbitrator.

NOTICE TO OWNER

Under the California Mechanics' Lien Law, any contractor, subcontractor, laborer, supplier or other person or entity who helps to improve your property, but is not paid for his or her work or supplies, has a right to place a lien on your home, land, or property where the work was performed and to sue you in court to obtain payment. This means that after a court hearing, your home, land and property could be sold by a court officer and the proceeds of the sale used to satisfy what you owe. This can happen even if you have paid your contractor in full if the contractor's subcontractors, laborers or suppliers remain unpaid.

To preserve their rights to file a claim or lien against your property, certain claimants such as subcontractors or materials suppliers are each required to provide you with a document called a "Preliminary Notice." Contractors and laborers who contract with owners directly do not have to provide such notice since you are aware of their existence as an owner. A preliminary notice is not a lien against your property if you are not paid. It's purpose is to notify you of persons or entities that may have a right to file a lien against your property if they are not paid. In order to protect their lien rights, a contractor, subcontractor, supplier or laborer must file a mechanics' lien with the county recorder which then becomes a recorded lien against your property. Generally, the maximum time allowed for filing a mechanics' lien against your property is 90 days after substantial completion of your project.

GENERAL CONDITIONS OF CONTRACT

GENERAL TERMS AND CONDITIONS

(These General Terms and Conditions are a Part of the attached Quotation/Purchase Order and the resulting Purchase Order Agreement)

I. PURCHASE ORDER AGREEMENT

A. Entire Agreement: The Quotation/Purchase Order and General Terms and Conditions ("Purchase Order Agreement") represent the entire and integrated agreement between the parties hereto and supersede and replace all prior negotiations, representations and agreements, whether written or verbal

B. Order of Precedence: In case of any inconsistency between the Quotation/Purchase Order and these General Terms and Conditions, they shall be taken in the following order of precedence: 1) Purchase Order, 2) General Terms and Conditions.

II. SCOPE OF WORK

A. Supply of Goods: This is a Purchase Order for the Supply of Materials.

B. Design Assistance: Any technical or design services provided are incidental to the supply of the Materials. If and to the extent RECo participates in the selection of the Materials to be provided, RECo relies entirely on the Drawings, Specifications, and survey data provided by the Owner and the Purchaser. RECo has not performed any independent investigation of the Project conditions. RECo's Material selection relates only to the internal stability of the structure for which its Materials are used. RECo is not responsible for the overall stability of the foundation soils below, or soils otherwise surrounding the Structure, or any slip surfaces external to the Structure.

C. Technical Assistance: Any technical assistance provided by RECo at the request of Purchaser is of a consulting nature and shall not at any time relieve Purchaser of its sole responsibility to construct the structure in accordance with the Project Specifications and all applicable local, state or federal statutes and regulations, including, without limitation, the responsibility to use backfill material and compaction procedures conforming to the Project Specifications. Such technical assistance shall not shift the responsibility for Project design, or any part thereof to RECo. The provision of technical assistance is for the benefit of the Purchaser only and shall not be for the benefit of any other party, including the Project Owner.

D. Quantities: If and to the extent that RECo participates in the estimation of the quantities to be provided, the parties acknowledge that RECo has relied entirely on the Drawings, Specifications, and survey data provided by the Owner and the Purchaser. RECo has not performed any independent investigation of the Project conditions. Such assistance shall not shift the responsibility for the estimation of quantities to RECo.

E. Delivery:

1) Terms of Delivery: To the extent possible, deliveries shall be in full truckload quantities, FOB Job Site or as near to Job Site as trucks can reasonably be driven under their own power, or, at Purchaser's option, to storage. Purchaser shall be responsible for unloading all materials and to provide suitable facilities for storage and unloading. All charges for unloading beyond two hours per truck and for storage and transfer of Materials after delivery shall be paid by Purchaser. Purchaser will return all dunnage to RECo for future use.

2) Control: Purchaser shall verify quantities and condition of Materials received with trucker's Bill of Lading upon receipt. Any discrepancy must be reported to RECo in writing within 24 hours of delivery. Such written notice is a condition precedent to any remedial action by, or claims against, RECo. If notice is not provided within the said period of time, or otherwise in accordance with this provision, Purchaser waives its right to claim.

3) Acceptance: Installation by Purchaser constitutes acceptance of the Material, the product dimensions and appearance.

4) Transfer of Title: The title to the Materials is deemed to pass to the Purchaser at the time of delivery. Purchaser shall bear sole responsibility to store and handle the Materials with reasonable skill and care, and shall be liable for any loss or damage to the Materials after delivery.

III. TIME

A. Schedule: Purchaser shall provide a minimum of seven (7) days notice and lead time for the start-up and/or restart of panel delivery to the Job Site and at least 21 business days lead time for the start-up of steel delivery. Panel load sheets, prepared by Purchaser, must be received by the precaster a minimum of 3 business days prior to the requested time of delivery.

B. Changes to the Schedule: Any change to the Schedule for the Delivery of Materials shall be treated in accordance with Article V, Changes.

C. RECo Delay: If the Purchaser contends that RECo is delaying the Project, or any portion thereof, Purchaser shall notify RECo in writing within 48 hours of the start of the delay, and allow seven (7) business days for correction of such delay. Such notice is a condition precedent to the Purchaser's right to claim against RECo for such delay. If notice is not provided in accordance with the terms of this Agreement, Purchaser waives its right to claim for delay.

D. Excusable Delays: RECo shall not be liable for delays in design, delivery, construction, or completion of the Project due to causes beyond its reasonable control, including force majeure. Such delays shall not relieve Purchaser of its obligation to accept and pay for the Materials under this Purchase Order Agreement and in accordance with the Payment Schedule.

IV. PAYMENT

A. Terms for Payment: Regardless of whether RECo invoices are prepared and submitted on a lump sum or unit price basis, payment in full shall be made by Purchaser not later than thirty (30) days following receipt by Purchaser of RECo's invoice. No retention shall be withheld from payments due. PAYMENTS TO RECO SHALL NOT BE DEPENDENT UPON, OR OTHERWISE SUBJECT TO OR CONDITIONED UPON, THE RECEIPT BY PURCHASER OF PAYMENT FROM THE OWNER OR ANY OTHER SOURCE.

B. Late Payments: A service charge of 0.5% per month or the maximum amount allowed by law, whichever is lower, shall apply to late payments.

C. Remedies for Nonpayment: Without prejudice to any other remedy it may have at law or under this Agreement, if any payment is more than 14 days late, RECo may suspend fabrication and delivery of Materials until payments are brought current. Thereafter, the Purchase Order Price may be increased to compensate for RECo's cost associated with the interruption or alteration of the fabrication sequence or schedule, or the schedule for delivery of Materials. RECo is entitled to recover from Purchaser all reasonable costs associated with enforcing this Agreement.

V. CHANGES

A. Writing Required: Any changes to this Agreement must be made with a written Change Order mutually agreed to and executed by authorized representatives of the Purchaser and Seller. Changes to the terms and conditions of the original Agreement that cause RECo to incur additional costs shall entitle RECo to an equitable adjustment in the Purchase Order Price.

VI. WARRANTY

A. Warranty: RECo warrants that the Materials furnished hereunder shall conform to the Project Specifications (unless otherwise stated in this Agreement) and shall be free from defects in material and workmanship. Purchaser's exclusive remedy for any defects in the Materials shall be limited to replacement or repair, at RECo's option.

B. No Statutory Warranty: The warranties set forth herein are made by RECo and accepted by Purchaser in lieu of all statutory or implied warranties, other than as to title.

C. Notice: This warranty shall apply only when Purchaser has given RECo written notice of defect or nonconformity upon delivery of the Materials to Purchaser.

D. EXCLUSION OF WARRANTIES. THE PARTIES AGREE THAT THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES OTHER THAN AS SET FORTH ABOVE, BE THEY EXPRESS OR IMPLIED, ARE EXCLUDED FROM THIS TRANSACTION AND SHALL NOT APPLY TO THE MATERIALS FURNISHED BY RECO.

VII. OTHER TERMS AND CONDITIONS

A. Purchase Order for Exclusive Benefit of Purchaser: This Purchase Order Agreement, including the General Terms and Conditions, is for the exclusive benefit of the Purchaser. It confers no rights by way of third-party beneficiary or otherwise on any other party.

B. Assignment: This Purchase Order Agreement cannot be assigned without RECo's prior written consent.

C. Limitation of Liability: RECo's liability for any damages or default under the terms of this Purchase Order Agreement shall not exceed the Purchase Order Price. In no event shall RECo be liable for incidental, consequential, or liquidated damages.

D. Indemnification: RECo shall be proportionately responsible for loss or damage caused by its negligence. Purchaser agrees to indemnify RECo for any other claim of loss or damage.

E. Patents, Trademarks, and Proprietary Rights: RECo has actual or pending patents, trademarks, and proprietary rights in certain of the Materials, processes, and configurations (i.e., cruciform shape) supplied to Purchaser. The drawings and other information supplied to Purchaser remain the property of RECo and may not be disclosed or provided to any other person or used for any other purpose without RECo's written consent.

F. Dispute Resolution: All claims, disputes and other matters in question between the parties shall be resolved by litigation in the state or federal (if jurisdiction exists) courts in Fairfax County, Virginia. The parties stipulate that this Agreement is made and executed in Fairfax County, Virginia, and that the courts of Fairfax County, Virginia, or the federal court encompassing Fairfax County, Virginia, is a reasonable forum for resolution of disputes.
In the event that Purchaser files or threatens to file any litigation pursuant to this Agreement or in the event that RECo determines that any claim, dispute or other matter in question should be resolved by arbitration, then by written notice RECo may elect to have the dispute resolved by arbitration in accordance with the rules and procedures of Judicial Arbitration and Mediations Services, Inc. (JAMS). Upon receipt of such notification, Purchaser shall dismiss without prejudice any litigation that it has instituted and shall promptly demand arbitration of such disputes pursuant to the JAMS rules.
The parties agree that in any such arbitration, there will be no interrogatories or depositions unless the parties mutually agree. Any arbitration decision may be confirmed in any court of competent jurisdiction. In the event of any litigation between the parties, both parties agree to waive trial by jury, it being agreed by the parties that the nature of the business transactions between the parties are better resolved by judge trial.

G. No Limitation of Rights or Remedies: Nothing in the Purchase Order or these General Terms and Conditions shall be deemed a limitation of any rights or remedies that RECo may have under any Federal or State mechanics' lien laws or under any applicable labor and material payment bonds, unless such rights or remedies are expressly waived in writing.

H. Governing Law: This Purchase Order Agreement shall be governed by the laws of the Commonwealth of Virginia.

I. Headings: The headings in this Purchase Order Agreement are solely for the convenience of the parties and shall be used neither in the interpretation of the Agreement, nor to impose or lessen any obligation on either of the parties.

J. Enforceability of Agreement: If any article, paragraph, term, covenant, or condition of this Purchase Order Agreement, including the General Terms and Conditions, is determined to be invalid or unenforceable, the remainder of this Purchase Order Agreement including the General Terms and Conditions, and the application of the remaining articles, paragraphs, terms, covenants, or conditions shall be unaffected thereby, and shall be valid and enforceable to the fullest extent permitted by law.

K. In the event of Purchaser bankruptcy or being placed in receivership, this contract shall become null and void but all obligations created by this contract on behalf of the Purchaser shall remain valid and enforceable by RECo.

Our Walls - Your Canvas

The Reinforced Earth Company (RECo) has developed a wealth of experience in combining art with engineering. Our large precast concrete facing panels provide a durable "canvas" for the artist, allowing for a design that stands the test of time. A Reinforced Earth® Mechanically Stabilized Earth (MSE) retaining wall is a versatile medium that is perfect for prominently displaying the unique history, values, interests, or brand of any community or property owner.

Collaborating with the architect or artist, Reinforced Earth's engineers will incorporate the desired artwork into the design plans of the retaining wall. Final renderings can show the client the end result of the project. Our precast division will transfer the artwork onto the facing panels with great precision, providing the desired three-dimensional relief and surface textures. A finishing touch of color can be added by the artist on site.

Retaining walls are abundant and serve a vital role in our infrastructure. However, they are often overlooked by the public or seen as purely functional. Murals and other forms of art help etch a community's identity into the minds of residents and passersby, bringing people together with a sense of pride.

Whether it's a simple repeating design or an elaborate mural by a local artist, The Reinforced Earth Company has the ability to turn your retaining walls into a visually pleasing work of art.

Soils Report:	Noted
Addendums Noted:	1 thru 5

BID PRICE: **Per attachments**

Job Specific Notes and Clarification:

1) Bid is based on the plans and specifications noted above. Preston reserves the right to amend our proposal based on any changes to the Bid Scope.
2) In general, the majority of Preston's scope will be completed behind the K-Rail / Staging Limits as supplied by the General Contractor (GC). Preston's bid is based on the GC establishing the work area, clearing RoW, and making rough subgrade prior to beginning the underground activities.
