Terms & Conditions:

1. All quotes must be on an R & S Trucking quote sheets (pages 1, 2, 3 & 4): all purchase orders/letter of intent to duplicate the same. **PLEASE ATTACH A COPY OF QUOTE, WITH ALL PURCHASE ORDERS OR WORK AUTHORIZATIONS.**
2. **Purchase orders/letter of intent must be issued within 14 working days of bid date: Hourly rates only will be honored during the transition period.**
3. When per load / un-scaled loads are quoted, the following allowable times apply: Quarry site / Load site with Aggregates for all truck (4 and 5 axle) types: 5 minutes. And at the Dumpsite / Job site with Aggregates for Double bottoms / Semi ends / Super dumps: 5 minutes.
4. **Demurrage / Standby Time charges will be charged, after the standard allowable times listed, based on the hourly rates quoted, on page 1) as an example:** $85.00 hourly = $1.42 per minute. Or $ 90.00 hourly = $1.50 per minute, or $ 98.00/hourly = $ 1.63 per minute, etc. Also standby time / demurrage starts upon arrival at the jobsite, including but not limited too: when governmental agencies/general contractors require traffic control points before the actual jobsite (traffic control points, flagmen control, lane closure etc.), and then standby time / demurrage charges will commence starting at the point of that traffic control location.
5. **It will be the contractor's /customers sole responsibility to collect all demurrage /standby time at any quarry site/ load site.**
6. **Never will any "Averaging of Standby Time" be allowed.** In other words; standby averaging is not allowed at all, as first stated on page 1, reflective in qualifying maximum allowable times in tonnage rate quotes. Demurrage / standby time will be billed and become due & payable after the maximum allowable times listed at the rate per minute quoted.
7. **Semi End Dumps, Double bottoms, Semi Bottoms and 10-Wheelers are hourly unless agreed in writing by R&S Trucking & Contractor prior to job commencing.**
8. **All quotes reflect 100% trucking of said job. R & S Trucking reserves the right to void any /all prices if less than 100%.**
9. Please call truck orders in by 2:00 p.m., to check availability. Please notify us several days in advance of any new jobs starting and/or any large truck orders of 10 or more.
10. On all jobs that require certification rosters, additional names may be added at any time.
11. PROBLEMS ON PROJECTS: The contractor must FAX into our main office a detailed description of the occurrence, including the sub hauler and/or drivers name, owner of the truck, truck number/trailer(s) number and description of truck/trailer(s), and copy of the freight tag that pertains to this incident or occurrence, along with estimated dollar ($) amount of loss (when applicable) on the same day of the incident or occurrence. R&S Trucking will accept "NO DEDUCTS OR BACK CHARGES" unless they are notified as stated above. R &S Trucking will then respond back to customer after investigating the incident. All claims for recovery by contractor for loss or damage to commodity hauled must follow this procedure. Any deviation from this procedure will not change the costs incurred and may cause immediate withdrawal of trucking from said job
12. **It is the contractor's responsibility to FAX notice to R&S Trucking Estimator prior to job bidding if certified payroll and/or union participation is required (also see item.32 following).**
13. **Saturday rates: add 12.5% to the weekday rates, listed on Page 1. Also, Sunday & Holiday rates: add 25 % to the weekday rates, listed on Page 1. This applies to all rates quoted, regardless of hourly, per ton, per load = ALL RATES.**
14. **Minimum Show-up time: On every truck dispatched to customers project, customer will be responsible for paying at least a 6 hour minimum daytime, & 6 hour minimum nighttime, unless previously arranged with dispatch.**
15. All un-scaled tonnage quotes will be based on **26.20 tons** per load for Double bottoms. All scaled tonnage quotes for partial loads will be based on 24.00 tons for Transfers. All scaled tonnage quotes for partial loads will be based on 19.00 tons for Semi ends, Semi bottoms and Super Dumps These quotes are based on R&S Trucking performing all trucking requirements on said project. Also, when partial loads are sent back from the jobsite, back to the quarry: The time spent traveling back will be charged at the quoted hourly rate.
16. If Contractor chooses not to have loads weighted, then contractor is responsible for all overloads, overload tickets, and anything that occurs if load is not weighed.
17. Hourly time to be charged will start from the time reporting to work (time truck was ordered to be at load site), to the time completing the hourly service, which includes travel time back to the load site on the last load. Time to be charged shall include time for transportation in both directions, time for loading and unloading, and waiting or standby time, at origin and/or destination. Total chargeable time shall be computed to the nearest one-tenth of an hour. Deductions from the time only allowed for carrier equipment failure and meal delays.

Continued.....

18. R & S Trucking shall render to contractor invoices for services agreed to in the quote sheet/purchase order. Contractor agrees to pay R & S Trucking by the 20th day following the last day of the calendar month in which the work was performed, billed by the 5th day of the following month. When large truck orders are continuous in a given period it may be required that the contractor will be billed weekly and said payment to be no later than 10 days of receipt of invoice. Interest to be charged on all past due accounts at the maximum allowed by law.
19. Please provide R & S Trucking Estimator with all specific job information, which will be the basis of our quotes. Specific details such as lane closures, traffic control points, project labor agreements/organized labor unions, locations for transfers to drop trailers, State, County & City agencies road closures, on and/or off-ramp turn-around access, designated truck routes per job specific contract language, etc., are needed to qualify per ton or per load rates, as these types of rates reflect time constraints. R & S Trucking reserves the right to void quoted rates that reflect time constraints (per ton or per load) at any time, due to lack of specific accurate information given at time of request. Default to hourly rates might prevail, however that could change also dependent on information given at time of request!
20. **Contractor must provide a site on each job for all truckers to clean out trailers daily at end of the last load.**
21. R & S Trucking is not responsible for delays caused by equipment failure of employees, agents or sub haulers of R & S Trucking, or by act of God, strikers, lockouts or similar matters beyond the control of R & S Trucking.
22. If any action at law or in equity, including an Action for Declaratory Relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to reasonable attorney's fee which may be set by the court in the same action or in a separate action brought for that purpose in addition to any other relief to which that party may be entitle. This agreement will be governed by and construed in accordance with the laws of the State of California.
23. Any changes to R & S Trucking freight tags must be received by FAX in the R & S Trucking main office within 2 working days from date of work performed by R & S Trucking for review.
24. Notices will be deemed communicated to either party to this agreement by either fax or certified mail using date of actual receipt of notice to receiving party.
25. R&S Trucking is not responsible for project production due to availability of trucks or any other reason, on any job.
26. As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes, If R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its terms & agreements. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.
27. **R&S Trucking Co. is a <u>VENDOR</u>, not a SUB CONTRACTOR.**
28. Yearly escalation raise on top of the base rate quoted shall occur at **6% yearly**, commencing 1 year after the job start date, and shall continue yearly with 6% raises, year after year, for the continued duration of this same job.
29. All Asphalt mix designs, such as **Polymer blends, Rubberized, Open-Grade, etc.**, require the contractor to supply a designated clean-out area on the jobsite, and to supply release agents, such as: United Products, Smart Solve Tar Remover # 603, along with additional equipment & manpower to help facilitate the clean-out of any and all truck and trailer(s). This also includes other sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable at the hourly rates listed and accrues separately for this clean-out procedure, and this extra-time is not allowed to be averaged-out. In addition, R & S Trucking only hauls rubberized/open-grade type asphalts in 5-axle Double bottoms/Semi bottoms only, when available.
30. All rates quoted reflect a diesel cost per gallon up to and including: **$ 4.00/per gallon**. After it rises to: **$ 4.01/per gallon**, R & S Trucking will apply a **diesel fuel surcharge rate of 1% for every $ .10 cent per gallon cost increase**, as reported by the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after $ 4.01/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
31. All quoted rates DO NOT reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. $ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.

Continued.....

32. If & when and any & all Teamsters Local 315 or any other union local initiation fees and monthly union dues are required for any type of on-site/off-site/import/export trucking or trucks or owner-operators or independents that are pulling R & S Trucking's boxes or trailers = All dues payable will be paid out thru the general contractor awarded the above mentioned job. This applies to Project Labor Agreements also. **R & S Trucking is not obligated to be a member of the Teamsters or join any other agreement with any organized union, or any project labor agreements.**
33. When "budget trucking only estimates" are provided alongside quoted hourly rates, these budgets are provided reflecting the contractors/estimators desire & requests to help arrive to a: "Approximation of time cycles and/or tonnage estimate to help create a budget cost +/-". These budget costs/rates are not to be considered accurate enough for a commitment and are created only for a convenience, therefor only the hourly rates quoted at the time shall prevail.

GENERAL NOTES, TERMS & CONDITIONS - Please read carefully

- **Acknowledgement & Agreement:** By appointing or listing Force Traffic Control as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.
- **Durability of Rates Quoted Above:** Based upon the Advertisement Date of this project, all labor rates quoted above shall remain in effect through June 30, 2015. Should the State of California increase the applicable rates for work on this project thereafter, our rates above will increase by no more than 5% more than the State's net increase.
- **Radios:** Our flaggers and pilot car(s) will be equipped with VHF or UHF 2-way radios. Additionally, pilot cars are equipped with CB radios for coordination with your truckers and other CB-equipped equipment.
- **Rental equipment** (excludes non-powered devices): For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff.
- **Night Work:** (a) No increase is applicable to any labor rates quoted above; (b) All added costs associated with illuminating the flaggers stations shall be borne by the Prime Contractor; (c) we will provide the two required 12" flashing beacons @ $6 each per night.
- **Labor Agreements:** Signatory to the AGC-No. California Laborers' Traffic Control & Lane Closure Agreement.
- **Insurance:** Force Traffic Control, Inc. maintains insurance coverages as required by USDOT-FHWA, CalTrans and Nevada DOT (Commercial General Liability, Workers Comp and Commercial Auto). Any additional coverages required by the Prime Contractor can be acquired by us at the Prime Contractor's sole par-value expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).
- **Mobilization:** For this project our initial advance notice requirements are 21 calendar days for USA-locate and installation of Construction Area Signs, and 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.
- **Inclusion of these entire quotations in Subcontract or Work Order** is required either within the body of the Subcontracts/Work Orders or appendixed to and referenced within the Subcontracts/Work Orders. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Should you have any questions regarding these quotations, please call Vern at 559.786.9856.

Cordially,

Rosemary Force Stiegel

Terms & Conditions:

1. All quotes must be on an R & S Trucking quote sheets (pages 1, 2, 3 & 4): all purchase orders/letter of intent to duplicate the same. **PLEASE ATTACH A COPY OF QUOTE, WITH ALL PURCHASE ORDERS OR WORK AUTHORIZATIONS.**
2. **Purchase orders/letter of intent must be issued within 14 working days of bid date: Hourly rates only will be honored during the transition period.**
3. When per load / un-scaled loads are quoted, the following allowable times apply: Quarry site / Load site with Aggregates for all truck (4 and 5 axle) types: 5 minutes. And at the Dumpsite / Job site with Aggregates for Double bottoms / Semi ends / Super dumps: 5 minutes.
4. **Demurrage / Standby Time charges will be charged, after the standard allowable times listed, based on the hourly rates quoted, on page 1) as an example:** $85.00 hourly = $1.42 per minute. Or $ 90.00 hourly = $1.50 per minute, or $ 98.00/hourly = $ 1.63 per minute, etc. Also standby time / demurrage starts upon arrival at the jobsite, including but not limited too: when governmental agencies/general contractors require traffic control points before the actual jobsite (traffic control points, flagmen control, lane closure etc.), and then standby time / demurrage charges will commence starting at the point of that traffic control location.
5. **It will be the contractor's /customers sole responsibility to collect all demurrage /standby time at any quarry site/ load site.**
6. **Never will any "Averaging of Standby Time" be allowed.** In other words; standby averaging is not allowed at all, as first stated on page 1, reflective in qualifying maximum allowable times in tonnage rate quotes. Demurrage / standby time will be billed and become due & payable after the maximum allowable times listed at the rate per minute quoted.
7. **Semi End Dumps, Double bottoms, Semi Bottoms and 10-Wheelers are hourly unless agreed in writing by R&S Trucking & Contractor prior to job commencing.**
8. **All quotes reflect 100% trucking of said job. R & S Trucking reserves the right to void any /all prices if less than 100%.**
9. Please call truck orders in by 2:00 p.m., to check availability. Please notify us several days in advance of any new jobs starting and/or any large truck orders of 10 or more.
10. On all jobs that require certification rosters, additional names may be added at any time.
11. PROBLEMS ON PROJECTS: The contractor must FAX into our main office a detailed description of the occurrence, including the sub hauler and/or drivers name, owner of the truck, truck number/trailer(s) number and description of truck/trailer(s), and copy of the freight tag that pertains to this incident or occurrence, along with estimated dollar ($) amount of loss (when applicable) on the same day of the incident or occurrence. R&S Trucking will accept "NO DEDUCTS OR BACK CHARGES" unless they are notified as stated above. R &S Trucking will then respond back to customer after investigating the incident. All claims for recovery by contractor for loss or damage to commodity hauled must follow this procedure. Any deviation from this procedure will not change the costs incurred and may cause immediate withdrawal of trucking from said job
12. **It is the contractor's responsibility to FAX notice to R&S Trucking Estimator prior to job bidding if certified payroll and/or union participation is required (also see item.32 following).**
13. **Saturday rates: add 12.5% to the weekday rates, listed on Page 1. Also, Sunday & Holiday rates: add 25 % to the weekday rates, listed on Page 1. This applies to all rates quoted, regardless of hourly, per ton, per load = ALL RATES.**
14. **Minimum Show-up time: On every truck dispatched to customers project, customer will be responsible for paying at least a 6 hour minimum daytime, & 6 hour minimum nighttime, unless previously arranged with dispatch.**
15. All un-scaled tonnage quotes will be based on **26.20 tons** per load for Double bottoms. All scaled tonnage quotes for partial loads will be based on 24.00 tons for Transfers. All scaled tonnage quotes for partial loads will be based on 19.00 tons for Semi ends, Semi bottoms and Super Dumps These quotes are based on R&S Trucking performing all trucking requirements on said project. Also, when partial loads are sent back from the jobsite, back to the quarry: The time spent traveling back will be charged at the quoted hourly rate.
16. If Contractor chooses not to have loads weighted, then contractor is responsible for all overloads, overload tickets, and anything that occurs if load is not weighed.
17. Hourly time to be charged will start from the time reporting to work (time truck was ordered to be at load site), to the time completing the hourly service, which includes travel time back to the load site on the last load. Time to be charged shall include time for transportation in both directions, time for loading and unloading, and waiting or standby time, at origin and/or destination. Total chargeable time shall be computed to the nearest one-tenth of an hour. Deductions from the time only allowed for carrier equipment failure and meal delays.

Continued.....

18. R & S Trucking shall render to contractor invoices for services agreed to in the quote sheet/purchase order. Contractor agrees to pay R & S Trucking by the 20th day following the last day of the calendar month in which the work was performed, billed by the 5th day of the following month. When large truck orders are continuous in a given period it may be required that the contractor will be billed weekly and said payment to be no later than 10 days of receipt of invoice. Interest to be charged on all past due accounts at the maximum allowed by law.
19. Please provide R & S Trucking Estimator with all specific job information, which will be the basis of our quotes. Specific details such as lane closures, traffic control points, project labor agreements/organized labor unions, locations for transfers to drop trailers, State, County & City agencies road closures, on and/or off-ramp turn-around access, designated truck routes per job specific contract language, etc., are needed to qualify per ton or per load rates, as these types of rates reflect time constraints. R & S Trucking reserves the right to void quoted rates that reflect time constraints (per ton or per load) at any time, due to lack of specific accurate information given at time of request. Default to hourly rates might prevail, however that could change also dependent on information given at time of request!
20. **Contractor must provide a site on each job for all truckers to clean out trailers daily at end of the last load.**
21. R & S Trucking is not responsible for delays caused by equipment failure of employees, agents or sub haulers of R & S Trucking, or by act of God, strikers, lockouts or similar matters beyond the control of R & S Trucking.
22. If any action at law or in equity, including an Action for Declaratory Relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to reasonable attorney's fee which may be set by the court in the same action or in a separate action brought for that purpose in addition to any other relief to which that party may be entitle. This agreement will be governed by and construed in accordance with the laws of the State of California.
23. Any changes to R & S Trucking freight tags must be received by FAX in the R & S Trucking main office within 2 working days from date of work performed by R & S Trucking for review.
24. Notices will be deemed communicated to either party to this agreement by either fax or certified mail using date of actual receipt of notice to receiving party.
25. R&S Trucking is not responsible for project production due to availability of trucks or any other reason, on any job.
26. As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes. If R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its terms & agreements. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.
27. **R&S Trucking Co. is a <u>VENDOR</u>, not a SUB CONTRACTOR.**
28. Yearly escalation raise on top of the base rate quoted shall occur at **6% yearly**, commencing 1 year after the job start date, and shall continue yearly with 6% raises, year after year, for the continued duration of this same job.
29. All Asphalt mix designs, such as **Polymer blends, Rubberized, Open-Grade, etc.**, require the contractor to supply a designated clean-out area on the jobsite, and to supply release agents, such as: United Products, Smart Solve Tar Remover # 603, along with additional equipment & manpower to help facilitate the clean-out of any and all truck and trailer(s). This also includes other sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable at the hourly rates listed and accrues separately for this clean-out procedure, and this extra-time is not allowed to be averaged-out. In addition, R & S Trucking only hauls rubberized/open-grade type asphalts in 5-axle Double bottoms/Semi bottoms only, when available.
30. All rates quoted reflect a diesel cost per gallon up to and including: **$ 4.00/per gallon**. After it rises to: **$ 4.01/per gallon**, R & S Trucking will apply **a diesel fuel surcharge rate of 1% for every $ .10 cent per gallon cost increase**, as reported by the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after $ 4.01/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
31. All quoted rates DO NOT reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. $ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.

Continued.....

32. If & when and any & all Teamsters Local 315 or any other union local initiation fees and monthly union dues are required for any type of on-site/off-site/import/export trucking or trucks or owner-operators or independents that are pulling R & S Trucking's boxes or trailers = All dues payable will be paid out thru the general contractor awarded the above mentioned job. This applies to Project Labor Agreements also. **R & S Trucking is not obligated to be a member of the Teamsters or join any other agreement with any organized union, or any project labor agreements.**
33. When "budget trucking only estimates" are provided alongside quoted hourly rates, these budgets are provided reflecting the contractors/estimators desire & requests to help arrive to a: "Approximation of time cycles and/or tonnage estimate to help create a budget cost +/-". These budget costs/rates are not to be considered accurate enough for a commitment and are created only for a convenience, therefor only the hourly rates quoted at the time shall prevail.

Subject: Gordon Ball Letters to SFO to Advertise Contracts

Dear Ms. Davis –

As mentioned in our telephone conversation, SFO does not advertise contracts for other companies or government agencies except SFO's own contracts. The DBE list we use is extracted from Caltrans' DBE list. You can find certified DBEs on the Caltrans website at: http://www.dot.ca.gov/hq/bep/find_certified.htm

Have a great weekend.

Bobbie
