SUBJECT: Administrative Modification #13 to the 2009 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed please find the documentation in support of Administrative Modification #13 to the SJCOG 2009 Federal Transportation Improvement Program (FTIP). The SJCOG Executive Director has the authority to approve all administrative modifications. State approval is required; however Federal approval is not required.

The proposed modification is consistent with the 2007 Regional Transportation Plan as well as with the public participation plan adopted by the SJCOG board as amended. Proposed modification will affect delivery of the ARRA funds; SJCOG requests an expedited review and approval of this modification.

FTIP Administrative Modification #13 amends the following project in the 2009 FTIP:

(1) City of Ripon, Main Street Roundabout (CTIPS ID# 212-0000-0488)

Modify Project description to add parking required as mitigation to replace existing parking that will be eliminated due to design of the Roundabout.

The required documentation is enclosed.

Attachment 1: Summary of Changes
Attachment 2: CTIPS Reports

These changes are consistent with the description of "Minor changes" in the "Revised Federal – Statewide Transportation Improvement Program Amendment and Administrative Modifications Procedures" (11/17/2008). With the modifications identified in this document the SJCOG 2009 FTIP remains financially constrained. SJCOG certifies that this modification contains exempt projects and does not require a conformity re-determination. SJCOG also certifies that this modification does not impact the timely implementation of any TCM's.

If you have any questions regarding this modification, please contact Ms. Sam Kaur of my staff at (209) 468-3913.

Sincerely,

ANDREW T. CHESLEY
Executive Director
