DISPUTE RESOLUTION BOARD (DRB) MEMBER / DISPUTE RESOLUTION ADVISOR (DRA) RESUME

PERSONAL INFORMATION NOTICE

Pursuant to the Federal Privacy Act (5 U.S.C, Section 552 et seq.) and the Information Practices Act of 1977 (IPA) (Civil Code Sections 1798 et seq.) declares that the right to privacy is a personal and fundamental right protected by the California and United States Constitutions. Please be advised that this form requests personal information. The term “personal information” means any information that is maintained by an agency that identifies or describes an individual, including, but not limited to, the individual’s name, social security number, physical description, home address, home telephone number, education, financial matters, and medical or employment history. It includes statements made by, or attributed to, the individual. (Civil Code, § 1798.3, subdivision (a).)

Information Collection and Access: California law requires the following information to be provided when collecting information from individuals. (See, for example, Civil Code, § 1798.17.)

Agency Name and Division Within the Agency Requesting the Information:

California Department of Transportation, Headquarters Division of Construction, Office of Contract Administration.

Title of Official Responsible for Information Maintenance:

Office chief for the Office of Contract Administration at (916) 654-2852, or in writing at California Department of Transportation, Division of Construction, Office of Contract Administration, 1120 N Street, Sacramento, CA 95814.

Maintenance of the Information Authorized By:

California Constitution, Article 1, Section 1

Government Code Section 11015.5

Health Insurance Portability and Accountability Act (HIPAA) of 1996 – Privacy Rule

Information Practices Act (Civil Code Section 1798 et seq.)

Public Records Act (Government Code Section 6250 et seq.)

State Administrative Manual (SAM) Section Privacy - 5310 et seq.

Statewide Information Management Manual (SIMM) 5310-A and 5310-B

National Institute of Standards and Technology (NIST) Special Publication 800-53

Consequences of Not Providing All or Any Part of the Requested Information:

Disclosure of this information for the Alternative Dispute Resolution (ADR) Program is mandatory. Failure to provide the information will prevent eligibility in the ADR program and delay or prevent the processing of this form.

Principal Purpose(s) for Which the Information Will Be Used:

The request for personal information is to facilitate processing and approval of these forms for the ADR Program (for approval of the meeting progress and report). In addition, for Form DOT CEM-6200, based on the provided information, we are to either approve or disapprove the person to be dispute resolution advisor (DRA) or dispute resolution board (DRB) member. For Form DOT CEM-6220, we will post the information on the website for the public to choose a suitable DRA or DRB member for their project, after the person has become a DRA or DRB member.

Known Disclosures:

The information may be disclosed to authorized California Department of Transportation employees and the information will remain confidential as it becomes part of the ADR Program project file and allow Caltrans employee to review. In addition, for Form DOT CEM-6200, only Office of Contract Administration or Construction field engineer will be used to approve or disapprove to be a DRA or DRB member. Form DOT CEM-6220 will be posted on the website for the public to use.

Right of Access to Records:

Individuals have the right to access information provided and may request a correction or deletion of records. Exceptions may include, but are not limited to, investigations and public transparency laws. Personal Information will only be disclosed

as permitted by the Information Practices Act, Civil Code, §§ 1798–1798.83, or as otherwise required by law. To request access to, or to request correction or deletion of, information provided in this form you may contact the Official Responsible for Information Maintenance identified on this form.

Americans with Disabilities Act (ADA) Notice: This document is available in alternative accessible formats. For more information, please contact the Forms Management Unit at (279) 234-2284, TTY 711, in writing at Forms Management Unit, 1120 N Street, MS-89, Sacramento, CA 95814, or by email at Forms.Management.Unit@dot.ca.gov.

DISPUTE RESOLUTION BOARD (DRB) MEMBER / DISPUTE RESOLUTION ADVISOR (DRA) RESUME

EDWARD P. ALBADA, PE

335 Salida del Sol

Santa Barbara, CA 93109

(805) 335-0495

ealbada@gmail.com

DATE 10/29/2026

CURRENT EMPLOYMENT

Please enter your most recent experience first

Current Job Title: Independent Arbitrator & Dispute Resolution Neutral — Begin Date: 09/01/2018

Employer Name: BAENT Engineering LLC (Independent Dispute Resolution Practice)

Duties or Projects:

1	Independent Dispute Resolution Board (DRB) candidate and neutral adjudicator for public works transportation agencies (Caltrans candidate, FDOT, MDOT).
2	Appointed FINRA Arbitrator (ID: A68344) presiding over contested commercial, financial, and contractual disputes
3	Independent contractual risk advisor and dispute avoidance consultant for sovereign governments and International Financial Institutions (IADB, UK FCDO) under standard FIDIC and Design-Build frameworks.
4	Vice President and Fellow/Member (MCIArb) of the Chartered Institute of Arbitrators, advancing DRB and international alternative dispute resolution standards.

ONGOING CONSULTING SERVICES

Please enter your most recent experience first

Job Title: Arbitrator — Begin Date: 09/05/2024

Employer Name: FINRA (independent consultant services)

Duties or Projects:

1	Appointed FINRA Arbitrator (ID: A68344) presiding over contested commercial and contract disputes. Conduct formal hearings, rule on procedural and evidentiary issues, evaluate expert testimony and complex documentation, and render impartial, binding arbitration awards grounded in due process and established contractual/regulatory frameworks.

Job Title: Vice President, Treasurer — Begin Date: 01/01/2021

Employer Name: Chartered Institute of Arbitrators, Trinidad & Tobago Chapter

Duties or Projects:

1	Vice President and Member (MCIArb) of the Chartered Institute of Arbitrators (Ciarb) Trinidad & Tobago Chapter. Lead regional initiatives to uphold international arbitration, adjudication, and DRB best practices. Oversee professional development programs, advocate for qualified panel appointments on complex construction works, and maintain high standards of arbitral integrity and ethics.

Job Title: CAR Committee — Begin Date: 09/01/2019

Employer Name: ASCE Construction Institute, Claims Avoidance and Resolution Committee

Duties or Projects:

1	Active Member, ASCE Construction Institute Claims Avoidance and Resolution (CAR) Committee. Participate in national initiatives advancing proactive claims management, risk mitigation, and ADR best practices for heavy civil and public works infrastructure. Contribute expertise bridging engineering design, design-build contract frameworks, and dispute boards to committee deliberations and industry guidance on reducing contentious construction litigation.

Job Title Regional Manager

Employer Name CH2M HILL / Halcrow Inc. / Halcrow Group (Trinidad & Tobago) Ltd.

From: 06/01/2006 To: 03/01/2017

	Duties or Projects *Enter most recent duties or projects first*	Begin Date	End Date
1	Regional Manager for a US-based multi-national engineering consultancy tacking major civil engineering projects across all business groups throughout English-speaking Caribbean.		
2	Managing Director for local entity Halcrow Group (T&T) Ltd.		
3	Responsible for commercial development, control and overseeing of business operations, people and ventures, definition of vision, mission and long terms goals, regional P&L accountability, general office operations, HR, finances, networking, marketing, and business development.		
4	$1.2B Sir Solomon Hochoy Highway Extension (San Fernando to Point Fortin): Assistant Project Manager and Contracts Manager for CH2M Hill (Designer of Record) on this 47-km, multi-year Design-Build heavy highway megaproject under FIDIC terms. Directed contractual compliance, managed multidisciplinary design teams across 40 riverine and coastal bridge crossings, extensive earthworks through sensitive marine/estuarine mangroves, and coastal defense revetments along the highway shoreline corridor. Administered day-to-day contract compliance, evaluated and assisted in resolving multimillion-dollar contractor claims for differing site conditions, variations, and time extensions.		
5	NIDCO Bridges Reconstruction Program: Served as Contracts Manager for the National Infrastructure Development Company (NIDCO) bridge reconstruction design program, overseeing contractual compliance and agency support across 10 crossings ranging from major riverine bridges to hydraulic box culverts, resolving contractor variance requests and scope change claims.		
6	Vinci Cureoe Interchange Infrastructure: Engineer of Record for major highway interchange infrastructure, coordinating structural geometry, storm drainage hydraulics, pavement interface, and earthwork grading to resolve complex constructability constraints.		
7	Coastal Highway & Waterfront Defense Portfolio: Project Director/Manager for major heavy coastal civil works, including Mayaro/Guayaguayare coastal defense revetments, Guapo Beach shoreline stabilization, and the $150M Carr's Bay Port/breakwater development (Montserrat). Provided technical expert witness support for High Court proceedings concerning illegal coastal reclamation and environmental impact modeling.		
8	Project director/manager for Guapo Beach Shoreline Stabilization, High Court Expert Witness Assistance on Illegal Coastal Reclamation, Expert Review of Numerical Modeling Aspects of EIA Submissions for EMA, Trinidad and Tobago, Caribbean Jewel Maritime Infrastructure Detailed Design, Little Bay Montserrat Port Development.

Job Title Senior Engineer

Employer Name Taylor Engineering

From: 08/01/1999 To: 06/30/2006

	Duties or Projects *Enter most recent duties or projects first*	Begin Date	End Date
1	FHWA / State DOT Bridge Hydraulics & Scour Studies: Project Manager and Lead Hydraulic Engineer for numerous bridge hydraulic studies, scour evaluations, and Bridge Hydraulic Recommendations (BHRs) for Florida DOT (FDOT) and North Carolina DOT (NCDOT). Modeled 1D and 2D riverine/estuarine flow regimes using RMA2, ADCIRC, and HEC-RAS to evaluate pier and abutment scour depths and design scour countermeasures.		

Americans with Disabilities Act (ADA) Notice: This document is available in alternative accessible formats. For more information, please contact the Forms Management Unit at (279) 234-2284, TTY 711, in writing at Forms Management Unit, 1120 N Street, MS-89, Sacramento, CA 95814, or by email at Forms.Management.Unit@dot.ca.gov.

2	Bridge of Lions Replacement (Historic Bascule Bridge, St. Augustine, FL - FDOT): Hydraulic Design Engineer-of-Record for the replacement of this landmark coastal highway crossing. Executed comprehensive 2D hydrodynamic flow simulations, calculated complex pier scour under astronomical tides and hurricane storm surges, designed rock revetment abutment protection, and supervised physical hydraulic model studies of bascule pier cofferdams.		
3	Coastal Highway & In-Water Protection Structures: Designed Dubois Park limestone revetment and shoreline armor inside Jupiter Inlet using CGWAVE numerical modeling; designed Inlet Point bulkhead reconstruction following storm damage; provided District Engineer oversight for Jupiter Inlet District, supervising dredging, jetty rock stability, and regulatory agency compliance.

CERTIFICATION AND ACKNOWLEDGMENT

☒ By checking this box, I certify that the information in this form is true and accurate to the best of my knowledge, information, and belief.

☒ By checking this box, I acknowledge that I will uphold the Dispute Resolution Board Foundation (DRBF) Canons - (1) Disclosure, (2) Conflicts of Interest, (3) Confidentiality, (4) Board Conduct and Communication, and (5) Board Procedures - as described in Section I, "Description of Work," of the DRB or DRA Agreements.

☒ By checking this box, I understand that either the Department or the Contractor may replace me as described in Section VII, "Replacement of DRB Member," or "Replacement of DRA," including for failure to uphold the DRBF Canons as specifically set forth in Section I, "Description of Work," of the DRB or DRA Agreements, respectively.

I agree that by providing my electronic signature for this form, I agree to conduct business transactions by electronic means and that my electronic signature is the legal binding equivalent to my handwritten signature. I hereby agree that my electronic signature represents my execution or authentication of this form, and my intent to be bound by it.

Americans with Disabilities Act (ADA) Notice: This document is available in alternative accessible formats. For more information, please contact the Forms Management Unit at (279) 234-2284, TTY 711, in writing at Forms Management Unit, 1120 N Street, MS-89, Sacramento, CA 95814, or by email at Forms.Management.Unit@dot.ca.gov.

Instructions

When and Where to File This From:

- DRB members and DRAs must submit this form whenever changes occur to current employment, ongoing consulting services, or when approved as a DRB member or as a DRA by the parties (Caltrans and the contractor).
- DRB members and DRAs must submit an updated version of this form every odd numbered year in January.
- Submit the completed electronic form (PDF File) to ADR.Engineer@dot.ca.gov

General Filling Tips:

- If information pertaining to a field or cell is not available, then write “N/A” or “not available.”
- If a section is not applicable, click on the - sign preceding the section title, and it will change to "None." If you want to revert this decision so that data may be entered into the section, click on the + sign preceding the section title. The section will expand to allow you to enter updated information.
- Clicking a + sign at the bottom lower left of the table will add a new row at the bottom of the table.
- Clicking a - sign at the bottom lower left of the table will delete the last row of the table.
- Clicking a - sign next to a row will delete that row.

Current Employment:

Employment that is related to your professional career experience must be listed. Voluntary, unpaid, and positions unrelated to professional career experience do not need to be listed.

Ongoing Consulting Services:

List all ongoing consulting services you are providing that are related to your professional career experience.

Past Work Experience:

- Include as much information as you can under each Job Title and Employer. A minimum of 2 rows is required.
- To add a Job Title or Employer, click on the + next to “Past Work Experience” to create a new block. To delete a block, click on the - sign next to “Past Work Experience.” A minimum of 1 block is required in this section.

Certificates, Licenses, Professional Affiliations, Ongoing Consulting Services:

List as much relevant information as possible; if not applicable, see instructions in “General Filling Tips,” the second section on this page.

Ongoing Alternative Dispute Resolution Experience and Completed Alternative Dispute Resolution Experience:

- For Caltrans and Caltrans oversight projects, list the Caltrans EA for the project name. For other projects, list a project name.
- Administrating Agency is the government agency responsible for contract administration.
- For Ongoing Alternative Dispute Resolution, list the estimated date for end date.

Certification and Acknowledgment:

Check the boxes to certify and acknowledge as stated.

Signature:

- Sign the form digitally in the signature block, which locks the data on the form.
- To make changes, you must first clear your digital signature. Place the cursor over the signature area and right-click. Select “Clear Signature.” Make the necessary changes and re-sign to lock the contents.

Questions or comments on the form:

Contact the ADR Engineer by email at ADR.Engineer@dot.ca.gov

Americans with Disabilities Act (ADA) Notice: This document is available in alternative accessible formats.
