- Safety Striping Service, Inc. requires IMMEDIATE notification upon being listed by the apparent low bidder, for purposes of scheduling and material management.

- Safety Striping Service, Inc requires an invitation to pre-job meetings.
- Bonds are not included in this quote. If bonds are required, call for rate.
- This quote includes one (1) move-in, defined as a period of **consecutive** eight hour days of continuous work, not including weekends or holidays. Any deviances from this, other than those initiated by Safety Striping Service, Inc, will be considered additional move-ins and billed at $2,500.00 each.

- Bid **excludes** any and all items related to handling hazardous materials including, but not limited to: *removal, testing, containment, hauling and disposal.* If potentially hazardous material (i.e. yellow thermoplastic) is discovered on the job-site, we will stop work until it is determined (in writing) to be non-hazardous, or a change order is issued for proper handling.
- This quote includes removal of tabs placed on center and lane lines only (excludes any locations where delineators can be used). This applies only to a single set of tabs properly placed at approximately 24' on center.
- Message Boards are not included in this quote, and are to be provided by Contractor per contract requirements.
- **A minimum of fifteen (15) working days advance notice is required for referencing and for each mobilization.**
- We require exclusive access to the roadway without obstacles and the ability to begin work upon arrival at the job-site. Delays caused by conflicts in scheduling are the responsibility of the Contractor and are subject to standby time computed as labor in section 9-1.03A of the Standard Specifications.
