Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2008/09 - 2011/12 Federal Transportation Improvement Program (FTIP):

No.	Description
23	**Federal, State, and Local Elements** • This amendment modifies existing projects and adds new projects in San Luis Obispo County. It includes individual projects with funding from State Bond funds, the State Transportation Improvement Program, the State Highway Operation and Protection Program, the Federal Transit Administration (FTA) 5311, the Emergency Response and Minor Program lump sum, and local funds.

See enclosure.

The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement procedures adopted by SLOCOG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450 and satisfies the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment Number 23. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Dennis Jacobs of my staff, at (916) 654-4447.

Sincerely,

RACHEL FALSETTI, Chief
Division of Transportation Programming
