Notes

*Some project budgets include unfunded need reported in CTIPS.
A - PAED only project. Project programmed for PAED only.
B - PSE only project. ROW support may or may not be programmed. No construction support programmed.
C - No ROW support needed or programmed.
D - Non Traditional Capital Outlay Support project.
E - PAED completed during Planning phase.
F - All support component budgets included under PAED component in pre 2008 SHOPP.
G - Local Agency implementing Right of Way and/or Construction. Right of Way and/or Construction support budget combined with Right of Way and/or Construction Capital budget.
H - Component completed under master project.
I - Project deleted from STIP.
J - Service contract. Project programmed for construction capital and construction support only.
K - ROW support only for corridor.
L - All support programmed under construction support.
M - Design-Build project.
N - SHOPP Long Lead. No construction support programmed.
O - Full oversight project only. Caltrans only responsible for QA/QC
P - SHOPP Long Lead project. No PPNO assigned.
X - Component baselined for PAED, ROW, RTL or CCA for FY 1011 using January 2010 XPM data.
