Dear Mr. Mazal:

The Department of Transportation (Caltrans) received a bid submitted by West Coast Public Works, Inc. (West Coast) for Contract 07-292104 on August 25, 2015. By this letter, Caltrans notifies West Coast that its bid is nonresponsive since West Coast did not comply with Contract Special Provision Section 2-1.33D(2)(b) Contracts with a DBE Goal, which states in part: Submit the bid forms according to the schedule shown in the following table:

**Bid Form Submittal Schedule for a Federal-Aid Contract with a DBE Goal**

| Form | Submittal deadline |
|---|---|
| DBE Commitment | No later than 4 p.m. on the 4th business day after bid opening |

West Coast failed to submit the DBE commitment form and written confirmation by 4:00 pm on the 4th business day after bid opening.

Based on the above, Caltrans finds your bid is nonresponsive. Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

for JOHN C. McMILLAN
Deputy Division Chief
Office Engineer
Division of Engineering Services
