Subject: Protest of Bid

Gentlemen,

Western Structures would like to submit a protest of the DVBE submittal from Peterson-Chase General Engineering Construction, Inc. for the above referenced Project.

The bid turned in by the Peterson-Chase General Engineering Construction, listed E-Nor Innovations for 80% of Bid Item No. 3. The DVBE submittal form DES-OE-0102.5 dated 04-10-2013 does not describe the exact part, or the planned location of the work to be performed by E-Nor Innovations, as required by note #2 of the DVBE Summary Form DES-DE-0102.5.

In addition, Peterson-Chase General Engineering Construction had also listed G.E.N.I. performing partial work for several items (1, 4 and 6) not distinguishing or itemizing the dollar amount for each item listed. The dollar amount listed was for a lump sum for $7,945.00 dollars.

Again, column two's description leads you to note number 2, which state; *"If 100% of an item is not performed or supplied by the DVBEs, describe the exact part, including the planned location of work to be performed, of item to be performed or supplied by DVBE."*

Western Structures feels that Peterson-Chase General Engineering Construction did not comply with the DVBE Submittal Form listed above, and should be considered non-responsive.

Western Structures would appreciate your prompt consideration and attention to this matter.

Sincerely,

Wolfgang Delgado Sr.
Estimator
