Attention: Penny Gray

Subject: Amendment #6 (Administrative Amendment) to the 2009 Council of Fresno County Governments FTIP

Ms. Gray:

The Executive Director of the Council of Fresno County Governments as authorized by the Policy Board hereby approves Amendment #6 (Administrative Amendment) to the *2009 FTIP*. Below are the specified administrative changes to the FTIP:

HSIP:

MPO FTIP ID	PROJECT TITLE	DESCRIPTION OF CHANGE
FRE022005	Vehicle Purchase	Addition of $800,000 ARRA FTA 5307 funds to this project. This addition is less than 25% of the total project cost.
FRE071007	SHOPP-Roadway Preservation	Addition of a ARRA Highway Maintenance project and funding in the amount of $2,080,000. This project is being included in this lump sum per Caltrans. This addition is less than 25% of the total project cost.

It should be noted that the changes to these projects contained within this amendment do not require a re-determination of the air quality conformity analysis.

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Amendments are to be used whenever "minor" changes related to project

costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Amendments are used in lieu of standard FTIP Formal Amendments, and as such, are not subject to Federal approval. The programming capacity to modify this project is available in Fresno COG's FTIP and financial constraint documentation will be updated to reflect this modification in the next formal amendment. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Amendment has taken place. We will be updating the California Transportation Improvement Program System (CTIPS) to reflect this amendment. If you should have any questions or comments, please feel free to call Renee DeVere at (559) 233-4148.

Sincerely,

Tony Boren

TONY BOREN, Executive Director
Council of Fresno County Governments
