

Appendix A.5 California Rail Funding Accounts

State Funding Accounts - Automatic Grade Crossing Warning Device Maintenance Fund

Table A.18 shows claims and claims paid under the Automatic Grade Crossing Warning Device Maintenance Fund. Claims are made by railroads to collect funding for the share of maintenance costs for automatic warning devices (typically 50 percent) owed by local roadway authorities (city or county). Claims paid reflect the actual amount paid by Caltrans for the maintenance of the automatic warning devices. Crossings refer to highway-rail crossings.
