

POSTER CONTEST WINNER

11 to 13 year olds:

Allison Lee is a 13-year-old 8th grader who loves eating sushi, hanging out with friends and going on vacation with her family. She also enjoys volunteering, drawing, reading and computer programming. Her father is Information Systems Analyst, Joseph M. Lee, who works for Information Technology. Being work zone alert is important to Allison because everyone should be safe on the roads and highways, especially in work zones.
