Subject: **FINANCIAL ALLOCATION FOR FISCAL YEAR 2016–17 AERONAUTICS SET-
ASIDE TO MATCH FEDERAL AIRPORT IMPROVEMENT PROGRAM GRANTS
RESOLUTION FDOA-2015-11**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve Resolution FDOA-2015-11, allocating \$2,000,000 for Fiscal Year (FY) 2016–17 to match federal Airport Improvement Program (AIP) grants.

ISSUE:

The Department's Aeronautics Program includes an annual set-aside used to match federal AIP grants. The attached resolution proposes to renew the delegation for the allocation of State funds to match the federal AIP grants.

BACKGROUND:

Each year the Commission approves a set-aside to match Federal AIP grants. This allocation provides the authority for the Department to subvent matching funds to individual projects as requested by airport sponsors.

The Department provides Commission staff with quarterly reports on allocations for AIP Matching grant funds. The reports show the sponsor name, the airport name, a project description, the AIP grant amount, the State matching amount, and an explanation on any portions of the AIP grant that were not matched. Because the Aeronautics Account is continuously appropriated, any unused remainder of this allocation would be available in FY 2016–17 to fund additional Aeronautics Program projects.
