CONSTRUCTION TO BEGIN ON SR-39 BETWEEN ORANGE AVE AND ROSECRANS AVE

BUENA PARK - The California Department of Transportation will begin construction on SR-39/Beach Blvd in Anaheim, Buena Park and La Mirada on Monday July 30. The work will take place weekdays between 10 p.m. - 6 a.m. and periodically during the day between 9 a.m. - 4 p.m. The project is expected to be completed next summer.

This project will improve accessibility along SR-39 by rehabilitating the roadway and bringing curb ramps and other elements up to the appropriate American with Disabilities Act (ADA) standards. It will also improve signal heads and safety lighting through the installation of high quality devices.

Caltrans appreciates the public's patience while we perform this work. Traffic lanes and freeway on-ramps will be closed intermittently. Electronic Changeable Message Signs will notify drivers of closures and work times. Additionally, construction updates will be available via Twitter @CaltransOC and Facebook.com/CaltransOC.

The work schedule is subject to change due to traffic incidents, weather, availability of equipment and/or materials, and/or construction-related issues. For more information, you may contact the District 12 Public Information Office at 657-328-6000.
