**FOR IMMEDIATE RELEASE**

## **CANCELLED: Work has been postponed on Beach Boulevard (SR-39) due to weather conditions**

**ORANGE COUNTY** – The project to install 22 new bus pads along Beach Boulevard (State Route 39) from Pacific Coast Highway (State Route 1) in Huntington Beach to State Route 91 in Buena Park has been postponed due to low overnight temperatures that will not allow the pavement to set properly.

Additional information and a new construction schedule will be provided as soon as possible.

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
