FOR IMMEDIATE RELEASE

Pass Openings in Mono County SR 120 East (Mono Mills Road) and SR 158 North (June Lake Loop)

BISHOP – The California Department of Transportation (Caltrans) is proud to announce that the snow has been cleared and maintenance performed to enable the following passes to reopen from their winter closures:

State Route 120 (east) Mono County – Mono Mills Road, from the junction of US Hwy 395 to the junction of US Hwy 6.

State Route 158 (north) Mono County – June Lake Loop

Caltrans crews responsible for the pass opening extend their best wishes for safe traveling to those who enjoy the recreational opportunities this part of California has to offer.

The State Route openings are dependent on favorable weather. If the area is impacted by inclement weather Caltrans may have to re-close the highway. Please check local highway conditions before traveling.

For the latest in highway information please visit Caltrans QuickMap site at quickmap.dot.ca.gov or call our Road Condition Hotline at 1-800-427-ROAD (7623).
