TRAFFIC ADVISORY

TRAFFIC ADVISORY

Bridgeport Culverts Project

- Construction to begin on July 18, 2016 until fall of 2016.
- Culvert replacement project
- The project location is in Mono County, near Bridgeport, CA.
- Contractor is William Kanayan Construction, Inc. from Rim Forest, CA.
- Working hours: Mon – Thurs 6:00 am – 8:00 pm, Friday 6:00 am – 3:00 pm
- Traffic Impact during construction: Daily lane closures using reversing one-way traffic with flaggers at each location. Delays up to 20 minutes.

Green Lakes CAPM Project

- Construction to begin on August 29, 2016 and will be complete in November 2016.
- Pavement Preservation Project
- The project location is in Mono County, on US Hwy 395 near Bridgeport from SR270 to Jack Sawyer Road (postmile 69.8 to 76).
- The top layer of the pavement surface is being ground off, recycled with new hot mix asphalt and a new overlay placed on top.
- Contractor is Herback General Engineering from Minden, NV.
- Working hours: Mon – Thurs 7:00 am – 8:00 pm, Friday 7:00 am – 3:00 pm

Inyo Mono Bridge Transition Rail Project

- Construction began on April 11, 2016 and will be complete in November 2016.
- Safety Project
- There are 25 locations for this project in Inyo & Mono Counties.
- Construction consists of modifying the concrete barriers and upgrading the end treatments.
- Contractor: Peterson-Chase Engineering Construction, Inc. from Irvine, CA
- Working hours: Monday-Friday: 6:00 am to 6:00 pm.
- Traffic Impact during construction: Reversing traffic control with flaggers. Expect up to 20 minute delays.

Lee Vining Rockfall Project

- Construction for season 2 began in August, 2016 and is scheduled to be completed in the fall of 2016.
- Safety Project
- The project location is in Mono County, on US Hwy 395 near Lee Vining (postmile 52.3 to 53.7).
- 6 cut slopes are being reconstructed to include anchored mesh to stabilize the slopes to reduce rockfall, and includes a plant establishment program to reduce erosion, establish healthy soil, and promote successful revegetation.
- Contractor is Papich Construction Co., Inc. from Pismo Beach, CA.
- Working hours: 6:00 am to 6:00 pm
- Traffic impact during construction: 24/7 lane closure with K-railing using reversing traffic control with a temporary traffic signal system.
