FOR IMMEDIATE RELEASE

**NIGHT TIME PAVING OF NORTHBOUND U.S. HIGHWAY 101 AT SAN JUAN ROAD STARTING
FEBRUARY 23 – 27.**

MONTEREY COUNTY – Caltrans and Granite Construction Company **will pave northbound U.S. Highway 101 at San Juan Road starting Monday, February 23 through Friday, February 27. Paving will occur at night between the hours of 7:30 p.m. and 5:30 a.m.**

The schedule for lane closures is:

- Monday night: one northbound lane closed.
- Tuesday night: both northbound lanes closed. Northbound traffic will crossover to the southbound lanes with one lane of travel for both directions on the southbound lanes.
- Wednesday night: one northbound lane closed.
- Thursday night: one northbound lane closed.

Directional signs and changeable message boards will be in place to help direct drivers.

The full opening of the San Juan Road Interchange is currently scheduled for Spring of 2015.

The \$69 million San Juan Road Interchange Project will remove three major at-grade intersections (San Juan Road, Dunbarton Road, and Cole Road) and replace them with a new interchange near the Red Barn at San Juan Road and U.S.101. The project is supported by \$10 million from the Recovery Act and \$28 million from Proposition 1B, a 2006 voter-approved bond. In total, nearly \$15 billion in Proposition 1B funds have been distributed statewide.

More than 60,000 vehicles daily travel through the U.S. 101/San Juan Road area.
