FOR IMMEDIATE RELEASE

PAVEMENT REPAIRS TO HIGHWAY 25 BEGIN NEXT WEEK

SAN BENITO COUNTY – Caltrans will perform a series of pavement repairs on a four mile section of Hwy. 25 from the San Benito/Santa Clara County line to Shore Road beginning Monday, May 21 through Thursday, May 24. This roadwork will include repairs to cracks and potholes on the roadway.

Motorists will encounter one-way reversing traffic control from 9 am until 3 pm.

Motorists can expect traffic delays not to exceed 25 minutes to allow time for the hot asphalt to cool down. Motorists may detour this roadwork by using Hwy. 156 or Hwy. 152 to US Highway 101.

Paving is scheduled during daytime hours because cooler temperatures are not suitable for overnight work. Electronic message signs have been posted alerting motorists of this roadwork, which is being performed by the Caltrans Hollister Maintenance crew.

Caltrans reminds motorists to move over slow down when driving through highway work zones.
