FOR IMMEDIATE RELEASE

UPDATE #9

SLIPOUT REPAIR IN BROOKDALE TO RESULT IN TWO INTERMITTENT OVERNIGHT CLOSURES ON STATE ROUTE 9 BEGINNING TOMORROW EVENING

SANTA CRUZ COUNTY– Caltrans will conduct two intermittent overnight closures on Hwy. 9 at the Brookdale slip-out on **Wednesday, May 16 and Thursday, May 17**, from 9 pm until 5 am the next morning. These closures are necessary so that falsework can be installed for a new viaduct. Motorists will be held in place intermittently for 45 minutes during this roadwork.

The purpose of this construction project is to repair the slip out from last winter by constructing a soldier pile wall and side hill viaduct. The first phase of drilling soldier piles has been completed.

Electronic message boards and signs will be posted to alert motorists of this roadwork.

The contractor for this \$4,000,000 construction project is Gordon Ball Construction of Concord, CA. This project is expected to be complete in the summer of 2018.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For more information on this project and for traffic updates on other Caltrans projects in Santa Cruz County, residents can call the District 5 toll free number at 1-831-423-0396 or can visit our website at:
