## FOR IMMEDIATE RELEASE

### EUREKA-ARCATA ROUTE 101 CORRIDOR PUBLIC MEETING REMINDER

**Eureka** – Caltrans wants to remind the community that an informational public meeting will be held on the Eureka-Arcata Route 101 Corridor Improvement Project on Wednesday, December 3, from 5:00 pm to 7:00 pm at the Wharfinger Building in Eureka. The purpose of this meeting is to introduce two modified alternatives for the project, developed in response to public input.

Alternative 1A involves closing median crossings, adding turnarounds at three locations, and a signal for southbound left turns only at Airport Road. The turnarounds would eliminate broadside collisions and reduce out-of-direction travel.

Alternative 3A involves closing median crossings, adding a signal for southbound left turns only at Airport Road, and building an interchange at Indianola with steeper side slopes than the original proposed interchange.

Caltrans is seeking your input on these modified alternatives, which will be considered along with the three original alternatives. For more information about the project, please visit [http://www.dot.ca.gov/dist1/d1/projects/eureka\\_arcata/index.htm](http://www.dot.ca.gov/dist1/d1/projects/eureka_arcata/index.htm).

The Wharfinger Building is located at 1 Marina Way in Eureka. For more information, please contact Kim Floyd, Project Manager, at 707-441-5739 or [Kim\\_Floyd@dot.ca.gov](mailto:Kim_Floyd@dot.ca.gov).
