

Chapter 6 List of Preparers

This Draft/Final EIR/EIS was prepared by Caltrans, District 12, and OCTA with the assistance of Parsons.

The following individuals were involved in the preparation of this Draft/Final EIR/EIS:

Caltrans, District 12

Amezcuca, Eduardo, Traffic Area Engineer, Traffic Operations. P.E., B.S. in Civil Engineering, University of Mexico, M.S. in Civil Engineering, California State University, Fullerton, M. Fine in Arts, California State University, Fullerton with 21 years of experience in transportation and traffic operations.

Contribution: Traffic Operations review of the proposed alternatives

Amiri, Sharid, Geotechnical Engineer, Ph.D. in Civil Engineering with specialty in Geotechnical Engineering, University of Southern California with 26 years of experience in transportation and geotechnical engineering.

Contribution: Review of District Preliminary Geotechnical Report and related sections in the Draft/Final EIR/EIS

Aurasteh, Reza, Senior Environmental Engineer, P.E., Ph.D. in Engineering, Utah State University with 28 years of experience in consulting engineering, academic, transportation engineering, and environmental engineering.

Contribution: Senior review of NSR, NADR, Air Quality Technical Study, ISA, and related sections in the Draft/Final EIR/EIS

Baker, Charles, Senior Environmental Planner, B.A. in Anthropology, California State University, Fullerton; M.A. in History, California State University, Fullerton with 15 years of experience.

Contribution: Senior review of peer review for the Draft EIR/EIS

Baker, Lynn, Associate Environmental Planner, B.A. in Sociology, California State University, Fullerton with 6 years experience in environmental planning.

Contribution: Review Response to Comments for the Draft/Final and Supplemental EIR/EIS

Caslavka, Matthew, Landscape Architect, B.S. in Landscape Architecture with minor in Water Management, California Polytechnic State University, Pomona with 30 years of

experience in landscape field, C-27 Landscape Contractor License, Qualified Chemical Applicator, certified in nonpotable water use.

Contribution: VIA and related sections in the Draft EIR/EIS

Chang, Paul, Environmental Engineer, P.E., B.S. in Civil Engineering, California State University, Los Angeles with 31 years of experience in environmental engineering, toll road (design-build) oversight, local programs, office engineer, CADD support, hydraulics, transportation planning, highway design, construction, ROW engineering.

Contribution: Review of Air Quality Technical Study and related sections in the Draft/Final EIR/EIS

Cugini, Matthew, Chief, Design Branch C and CADD Support Branch, P.E., B.S. in Civil Engineering, California State University, Fullerton, M. in Public Administration, California State University, Fullerton with 23 years of professional experience in transportation engineering.

Contribution: Supervisory design oversight of the Draft/Final EIR/EIS and Project Report

Deshpande, Smita, Senior Environmental Planner, B.A. in Geography, University of Pune, India; M.S. Regional Planning, Indiana University of Pennsylvania, Indiana with 20 years of experience in environmental planning.

Contribution: Senior review of Draft/Final EIR/EIS

Dickson, Eric, Senior Landscape Architect, B.S. in Landscape Architecture, California Polytechnic State University, Pomona with 16 years of experience in visual assessments and aesthetic master plans.

Contribution: Senior review of Draft/Final EIR/EIS and VIA

Dolan, Edward, Associate Environmental Planner, M.S. in Urban/Regional Planning, California Polytechnic State University, Pomona with 15 years of experience in environmental planning.

Contribution: Technical edit review of the Draft/Final EIR/EIS

Dove, Kathleen, Associate Environmental Planner, Ph.D. Candidate – Marine Sciences/ Interdisciplinary Program, University of Alaska – Fairbanks, Masters Political Communication, Arizona State University, Tempe, 28 years of experience.
Contribution: NEPA Peer Reviewer – Draft EIR/EIS, Response to Comments Reviewer – Supplemental EIR/EIS, and Statement of Overriding Considerations (SOC) and Findings – Final EIR/EIS.

Elgeziry, Maggi, Associate Environmental Planner, B.A. in Environmental Studies, Carlton University, Ottawa, Canada with 7 years of experience in environmental planning.
Contribution: Reviewed and edited NES and Jurisdictional Determination Report

Flynn, Chris, Senior Environmental Planner, M.S. in Environmental Science, San Jose State University, P.M.P. with 28 years of experience in environmental project management and construction.
Contribution: Senior review of Draft EIR/EIS, technical reports, and technical editing for cultural, paleontological, and biological resources sections of Draft EIR/EIS

Ghaboosi, Majid, Transportation Engineer/Hydraulics, Ph.D., P.E., P.M.P., Colorado State University with 14 years of experience in transportation-related hydrology and hydraulics.
Contribution: Review of Location Hydraulic Study Report and related sections in the Draft EIR/EIS

Hindiyyeh, Ahmad, Project Manager, M.S., P.E., P.M.P., Civil Engineering, University of Pittsburgh with 22 years of experience in project management, design, construction, and traffic operations.
Contribution: Project management for District 12

Khalilifar, Mitch, Environmental Engineer, P.E., M.S. in Civil Engineering, South Dakota State University with 23 years of experience in transportation engineering.
Contribution: Review of ISA and related sections in the Draft/Final EIR/EIS

Le, Christopher, Branch Chief Utility Engineering, P.E., B.S. in Civil Engineering, San Diego State University with 20 years of experience in transportation engineering.
Contribution: Supervisory review of utility engineering

Liu, Brian, Associate Environmental Planner, B.A. in Geography, California State University Long Beach with 9 years of experience in environmental planning.
Contribution: PEER Review and Technical Editor of the Final EIR/EIS

Lowe, Kathlyne, Branch Chief, Hydraulics, P.E., B.S. in Civil Engineering, California Polytechnic State University, San Luis Obispo with 28 years of experience in highway design.
Contribution: Senior review of Location Hydraulic Study Report and related sections of Draft/Final EIR/EIS

Nguyen, Henry T., Transportation Engineer, P.E., B.S. in Civil Engineering, California Polytechnic State University, Pomona with 18 years of experience in transportation and civil engineering.

Contribution: Project design oversight engineer

Pina-Garrett, Grace, Senior Transportation Engineer, NPDES Unit, B.S. in Civil Engineering, California State University, Long Beach with 21 years of experience in engineering and water quality.

Contribution: Senior review of Water Resources and Water Quality Technical Report and related sections in the Draft/Final EIR/EIS

Priete, Arianne, Associate Environmental Planner (Natural Sciences), B.S. in Biological Sciences, California State University, Fullerton; M.S. Environmental Studies, California State University, Fullerton with 8 years of experience.

Contribution: Review of NES, Jurisdictional Determination Report, and related sections in the Draft EIR/EIS

Qamar, Iffat, Associate Environmental Planner, Ph.D. in Environmental Planning and Management, Macquarie University, Sydney, Australia with 20 years of experience in environmental planning and management.

Contribution: Review - Draft EIR/EIS, Technical Reports, NEPA QC Reviewer – Final EIR/EIS, Record of Decision, CEQA Findings, Statement of Overriding Considerations, Coordinator – Draft and Final EIR/EIS

Ramirez, Julio, Transportation Engineer, P.E., B.S. in Civil Engineering, University of Nicaragua, Managua with 18 years of experience in environmental engineering.

Contribution: Review of NSR, NADR, and related sections in the Draft/Final EIR/EIS

Rothenberg, Scott, Associate Environmental Planner, B.A. in Environmental Policy, Bowling Green State University with 6.5 years of experience in environmental planning.

Contribution: Peer review of the Draft EIR/EIS

Salas, Hector B., Associate Environmental Planner, B.A. in Environmental Analysis and Design, University of California, Irvine with 12 years of experience.

Contribution: Review of Water Resources and Water Quality Technical Report and related sections in the Draft/Final EIR/EIS

Shelley, Scott, Associate Environmental Planner, B.E.S. in Urban and Regional Planning, University of Waterloo, Waterloo, Canada with 12 years of experience in environmental

planning.

Contribution: Review of Section 4(f) Evaluation and related sections in the Draft/Final EIR/EIS

Sinopoli, Cheryl, Associate Environmental Planner (Archaeology), B.A. in Anthropology, California State University, Bakersfield with 15 years of experience.

Contribution: Review of HPSR, HRER, ASR, and PIR/PER and related sections in the Draft/Final EIR/EIS

Slater, Gary, Branch Chief, Traffic Operations North Branch, P.E., B.S. in Civil Engineering, California State University, Northridge with 26 years of experience in transportation engineering.

Contribution: Senior review of Draft/Final EIR/EIS, traffic report, and technical editing for traffic section of Draft/Final EIR/EIS

Vega, Sylvia, Deputy District Director of Environmental Planning, B.S. Natural Resources Management, California Polytechnic State University, San Luis Obispo with 29 years of experience in transportation and environmental planning.

Contribution: Supervisory review of the Draft/Final EIR/EIS

OCTA

Casey, Rose, Director, Highway Programs

Contribution: Project oversight

Barrett, Niall, Program Manager

Contribution: Project oversight

Mills, Jeff, Program Manager

Contribution: Project Management

Phu, Dan, Program Manager

Contribution: Project oversight

Parsons and Subconsultants

Parsons

Blanco, Stephanie, Principal Environmental Planner

Contribution: Assisted with preparation of Draft/Final EIR/EIS sections and general document preparation

Chasteen, Carrie, Senior Architectural Historian

Contribution: Preparation of HPSR, HRER, and assisted in the preparation of Draft/Final EIR/EIS cultural resources section

Cleary, Macie, Environmental Manager

Contribution: Project management, review of Draft/Final EIR/EIS sections, and consistency review of Draft EIR/EIS

Conaty, Dan, Principal Environmental Planner

Contribution: Assisted in the preparation of Draft EIR/EIS traffic and transportation/pedestrian and bicycle facilities and noise sections, and review of energy and utilities/emergency services sections

Denno, Neal, Deputy Project Manager

Contribution: Project management and senior review of Traffic Report and Draft/Final EIR/EIS traffic, transportation/pedestrian and bicycle facilities section, and consistency review of Draft/Final EIR/EIS

Diaz, Eric, Senior Project Engineer

Contribution: Preparation of NADR

Gharabegian, Areg, Principal Project Manager

Contribution: Preparation and management of Noise Technical Reports

Gonzalez, Portia, Senior Drainage Engineer

Contribution: Prepared Hydraulic Location Map/Floodplain Evaluation

Haboian, Kevin, Project Manager

Contribution: Project management

Hansen, Ryan, Principal Storm Water Planner

Contribution: Preparation of Water Quality and Water Resources Technical Report, SWDR, and assisted in the preparation of Draft EIR/EIS hydrology and floodplains and water quality and stormwater runoff sections

Hinds, Chris, Senior Environmental Planner

Contribution: Preparation of Water Quality and Water Resources Technical Report, SWDR, and assisted in the preparation of Draft/Final EIR/EIS hydrology and floodplains and water quality and stormwater runoff sections

Kochaon, Anne, Project Manager

Contribution: Preparation of Community Impact Assessment, Relocation Impact Memorandum, and Draft EIR/EIS land use, growth, and community impacts sections

Koos, Elizabeth, Senior Technical Editor

Contribution: Technical editing

Lormand, Jeff, Principal Landscape Architect

Contribution: Preparation of VIA

Lubong, Raizalyn, Transportation Engineer

Contribution: Assisted in the preparation of Draft EIR/EIS traffic and transportation/pedestrian and bicycle facilities section

Ogden, Jason, Noise and Vibration Specialist

Contribution: Preparation of Noise Technical Reports

Petersen, Gary, Senior Project Manager

Contribution: Quality Assurance/Quality Control management, review of Draft/Final EIR/EIS sections, and consistency review of Draft/Final EIR/EIS

Ruiz, Gilberto, Project Manager

Contribution: Preparation of Relocation Impact Memorandum, Community Impact Assessment, and assisted in the preparation of Draft EIR/EIS growth and land use sections

Ryken, Andrea, Associate Environmental Planner

Contribution: Assisted with preparation of Draft EIR/EIS sections and general document preparation

Saghafi, Sam, Senior Project Engineer

Contribution: Preparation of Noise Technical Reports

Seyde, Veronica, Project Scientist

Contribution: Preparation of Draft EIR/EIS water quality section

Schnapp, Angela, Senior Environmental Planner

Contribution: Preparation of Community Impact Assessment and Relocation Impact Memorandum

Tiberi, Patti, Senior Project Engineer

Contribution: Provided engineering support

Todaro, Ryan, Principal Environmental Planner

Contribution: Management and oversight of technical reports and Draft/Final EIR/EIS document preparation

Walker, Lincoln, Environmental Planner

Contribution: Preparation of Section 4(f) and 6(f) Evaluation, assisted in the preparation of Draft EIR/EIS geology/soils/seismic/topography section, maps, and figures

Walsh, Jason, Principal Environmental Planner

Contribution: Assisted with preparation of Draft EIR/EIS sections and general document preparation

Albert Grover and Associates

Sadam, Chalap, Vice President

Contribution: Preparation of Traffic Report

Group Delta

Glisic, Vesna, Project Engineer

Contribution: Preparation of ISA

Scheyhing, Curt, Associate Geotechnical Engineer

Contribution: Preparation of Geotechnical Report

Paragon

Hanley, Thomas, Right-of-Way Project Manager

Contribution: Assisted in the preparation of the Relocation Impact Memorandum and provided data for ROW impact assessment

Psomas

Launen, Kari, Senior Project Manager

Contribution: Prepared ROW and parcel mapping

TAHA

Silverman, Sam, Air Quality Specialist

Contribution: Preparation of Air Quality Technical Study

TEC

Taylor, Wendell, Utility Manager

Contribution: Provided utility impact and relocation data

URS

Fink, Gary, Principal Investigator – Prehistoric Archaeology, Cultural Resources Group Leader

Contribution: Preparation of ASR

Hulse, Lincoln, Natural Resources Division Manager

Contribution: Preparation of NES and Jurisdictional Determination

Nixon, Rachael, Principal Investigator, Senior Archaeological Project Manager

Contribution: Preparation of ASR

Stewart, Joe, Principal Paleontologist

Contribution: Preparation of PIR/PER
