California Transportation Commission, Southern California Association of Governments, and Orange County Business Council Hosting Forum on Transportation Issues

What: The California Transportation Commission (CTC), Southern California Association of Governments (SCAG), and Orange County Business Council (OCBC) are hosting a public forum in Orange County on the local, regional and state role in road projects and maintenance, the impacts and reasons for California's deteriorating transportation system, and gathering input on what can be done to stabilize transportation-system repairs and maintenance.

Representatives from the CTC, SCAG, and OCBC, will discuss and generate feedback on topics such as:

- How does the current condition of Orange Counties' transportation system affect economic growth and regional competitiveness?
- What are the near-term and long-term transportation needs in California and Orange County?
- How can we stabilize repairs and maintenance of highways, roads and local streets?
