## FOR IMMEDIATE RELEASE

### LANE CLOSURE TUESDAY ON STATE ROUTE 44 IN REDDING

REDDING – The California Department of Transportation (Caltrans) District 2 announces the closure of the eastbound number two lane (slow lane) on State Route 44 in Redding on the new bridge structure over the Sacramento River. The lane will be closed between 6 a.m. and 9 a.m. on Tuesday, June 23, 2009 in order to complete removal of a temporary retaining wall structure on the new bridge. The closure is necessary during daytime hours due to increased noise levels from construction.

Motorists are asked to drive with caution through the construction area and are reminded of the reduced speed limit to 45 mph. Caltrans appreciates your patience during this phase of construction. Please call the Public Information Office at 530-225-3260 for more information.
