STATE ROUTE 198 / 12TH AVENUE INTERCHANGE PROJECT BEGINS CONSTRUCTION

The California Department of Transportation (Caltrans) in cooperation with Agee Construction announces scheduled lane closures as construction begins on the State Route 198/12th Avenue Interchange Project in Hanford within Kings County.

This \$23.7 million dollar project will reconstruct the existing interchange by adding a loop on-ramp to eastbound 198 and modifying existing on and off ramps to accommodate larger volumes of traffic. Construction is anticipated to be completed in Winter 2016.

Lane closures beginning next week will be as follows:

Beginning, Monday, November 3rd at 6:00 a.m. through Wednesday, November 5th, 2014 at 3:00 p.m. the #2 lane (right lane) of both eastbound and westbound State Route 198 at 12th Avenue will be closed.

Beginning, Wednesday, November 5th at 6:00 a.m. through Friday, November 7th, 2014 at 6:00 p.m. the #2 lane (right lane) of both eastbound and westbound State Route 198 at 12th Avenue will be closed.

These closures are necessary to allow crews to place concrete construction barriers and place temporary striping on the roadway.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please
