The Department of Transportation (Caltrans) in cooperation with Teichert Construction announces the a one day ramp closure of the eastbound State Route 198, Central Visalia exit within the Visalia city limits, in Tulare County. This closure will be necessary to allow construction crews to do landscape mulch replacement as part of the current Central Visalia exit ramp widening project.

The following ramp closure is scheduled for Tuesday, January 10th, 2012, only (weather permitting):

Eastbound State Route 198, Central Visalia off ramp will be temporarily closed on Tuesday, January 10th, 2012 between the hours of 9:00 a.m. and 4:00 p.m.

For the safety of construction workers and the motoring public during construction, ramp closures will be necessary during daytime hours. Commuters will experience delays and are encouraged to take alternate routes whenever possible.

This scheduled closure will occur, weather permitting. Closure may continue for a longer period of time if necessary, due to delays caused by weather or uncontrollable events that may occur during landscape maintenance.
