FOR IMMEDIATE RELEASE

STATE ROUTE 216/HOUSTON AVENUE WIDENING PROJECT IN VISALIA LANE CLOSURES AND NIGHT WORK

The Department of Transportation (Caltrans) in cooperation with Granite Construction announces scheduled lane closures on Lover's Lane and McAuliff Street in Visalia in Tulare County. This is part of the current widening project for State Route 216 (Houston Avenue).

The following lane closures are scheduled for next week:

Northbound and Southbound alternating lanes of McAuliff from Sumter Court to State Route 216 (Houston Avenue) will be closed beginning Monday, October 5th thru Friday, October 10th, 2014 between the hours of 6:00 a.m. and 6:00 p.m. each day.

Northbound and Southbound alternating lanes of Lover's Lane from Sweet Avenue to Golden Way Avenue will be closed Monday, October 5th thru Friday, October 10th, 2014 between the hours of 6:00 a.m. and 6:00 p.m. each day.

Lane closures at the above listed locations as well as on Eastbound and Westbound State Route 216 (Houston Avenue) may occur during night time hours beginning Sunday night, October 5th thru Friday morning, October 10th, 2014 between the hours of 6:00 p.m. and 6:00 a.m. each night. Nighttime closures are necessary due to the high volume of traffic during school drop-off and pick-up. Drivers are encouraged to avoid this area during project work hours and use alternate routes when possible.

Closures may continue for longer periods of time if necessary, due to delays caused by uncontrollable events that may occur during road construction procedures.

Caltrans would like to thank the residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please **Slow of the Cone Zone**.
