### POSTED SPEED LIMIT CHANGES ON STATE ROUTE 216 IN TULARE COUNTY

The California Department of Transportation (Caltrans) announces a speed limit adjustment to the posted speed limit along a segment of State Route 216 in the City of Visalia between Lovers Lane and Sol Road in Tulare County. The existing speed limit is being changed from 40 mph to 45 mph. The 45 mph has been determined to be most appropriate for current conditions and in conformance with neighboring speed zones. The existing school zone within that segment will remain the same.

Caltrans would like to remind you to drive with extra care and adhere to new posted speed limit signage along State Route 216. Please be *work zone alert* and always “**Slow for the Cone Zone.**”
