FOR IMMEDIATE RELEASE

ONE-WAY TRAFFIC CONTROL ON STATE ROUTE 43 SCHEDULED FOR THIS WEEKEND

The Department of Transportation (Caltrans) announces scheduled one way traffic control this weekend on State Route 43 in Tulare County as part of an ongoing pavement rehabilitation project.

The following lane closure will be in effect tomorrow, Saturday, June 28, 2014:

State Route 43 in Tulare County will be reduced to one way traffic control between Road 64 to Avenue 88 on Saturday, June 28th, 2014 between the hours of 6:00 a.m. and 6:00 p.m.

Construction Crews will be conducting one way traffic control at this location during the work hours listed above with the use of a pilot car and flagging personnel through the work zone. Commuters are reminded to obey flagging personnel and pay close attention to road construction vehicles and personnel at all times.

Motorists who are delayed at driveways and intersections will be required to wait for pilot car and adhere to all signage in order to safely proceed through the work zone.

During construction operations, delays can last for up to 20 minutes. Commuters are encouraged to avoid these areas during project work hours and use alternate routes if possible. Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during road construction procedures.
