FOR IMMEDIATE RELEASE

SOUTHBOUND STATE ROUTE 99 CONNECTOR AND LANE CLOSURE BETWEEN STATE ROUTE 180 & FRESNO STREET THIS WEEKEND IN THE CITY OF FRESNO

The Department of Transportation (Caltrans) announces a temporary connector and lane closure on Southbound State Route 99 scheduled to take place this Saturday in the city of Fresno. Maintenance crews will be completing pavement repair and maintenance during this time.

The following connector and lane closures will be in effect, weather permitting:

- The eastbound State Route 180 connector to southbound State Route 99 will be closed Saturday, March 19th, between the hours of 4:00 a.m. and 10:00 a.m. This closure will also include the #3 lane (right lane) of Southbound 99 between State Route 180 and Fresno Street and the off-ramps to both Stanislaus Street and Fresno Street on Southbound 99.

Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during maintenance procedures. Motorists are encouraged to avoid this area during project work hours and use alternate routes if possible.

Caltrans would like to remind drivers to please be alert for road maintenance personnel and
“Slow for the Cone Zone.”
