The California Department of Transportation (Caltrans) announces that traffic along State Route (SR) 99 will be diverted off of State Route 99 in Madera County as part of the Avenue 12 Interchange Improvement Project currently in construction. Lane closures will take place one hour prior and subsequent to the full closure for traffic control staging and set-up for bridge false work removal under the new Avenue 12 overcrossing. No simultaneous closures will occur at one time; also, as a precautionary measure, the #1 (fast) lane in each direction of travel will be closed to traffic during alternating full freeway closure operations. **Note: If closures are delayed/cancelled due to dense fog, the full closures for either northbound or southbound State Route 99 may require an additional night to complete.**

During this next phase of the project, each direction of SR99 will be closed during various evenings to allow the contractor to implement bridge removal operations. Motorists can expect full freeway closure detours to begin Sunday, January 25th at 11:00 p.m. in the **NORTHBOUND DIRECTION** until the following morning at 5:00 a.m. and continuing each evening until completed.

NORTHBOUND 99 DETOUR: (Sunday, January 25th - Tuesday, January 27th at 5:00 a.m.)

NB 99 TRAFFIC TO EXIT AT AVE 9 OFF-RAMP; TURN RIGHT; TURN LEFT ONTO ROAD 30 ½ TO AVE 12; TURN LEFT; CONTINUE TO NB 99 AVE 12 ON-RAMP.

SOUTHBOUND 99 DETOUR: (Tuesday, January 27th -Thursday, January 29th at 5:00 a.m.)

Schedule is subject to change due to fog, rain or unforeseen circumstances that may occur during construction; full freeway closures may be completed earlier than anticipated due to early completion of removal operations, etc. The California Highway Patrol (CHP) law enforcement will be present to provide extra support for traffic control. Motorists are advised to use an alternate route.
