Lane closures will take place one hour prior and subsequent to the full closure for traffic control staging and set-up for bridge false work (wood forms) removal under the new Avenue 12 overcrossing. No simultaneous closures will occur at one time; also, as a precautionary measure, the #1 (fast) lane in each direction of travel will be closed to traffic during alternating full freeway closure operations. **Note: If closures are delayed/cancelled due to dense fog, the full closures for either northbound or southbound State Route 99 may require an additional night to complete.**

**New operational necessities for the contractor will result in the initial closure of the SOUTHBOUND lanes of State Route 99 to take place on Tuesday, Feb 3<sup>rd</sup> at 11:00 p.m.** until the following morning at 5:00 a.m. Operations will continue the following evening, Feb 4<sup>th</sup> in the **NORTHBOUND** DIRECTION until completed.

Motorists are advised to use an alternate route.
