LANE CLOSURE ON NORTHBOUND STATE ROUTE 99 SCHEDULED FOR NEXT WEEK

The Department of Transportation (Caltrans) announces scheduled lane closures on northbound State Route 99, in the city of Tulare on Sunday, March 1st, 2015 to allow crews to conduct guardrail repair operations.

The following lane closure is scheduled to take place on Sunday (weather permitting):

Northbound State Route 99, #2 lane (right lane) from just south of Prosperity Avenue to the Hillman off ramp will be closed on Sunday, March 1st, 2015 between the hours of 7:30 a.m. and 1:00 p.m. This closure will also include the northbound State Route 137 connector-ramp to State Route 99 on both days.

Northbound State Route 99, #2 lane (right lane) from Hillman on ramp to Prosperity Avenue will be closed on Thursday, January 23rd, 2014 between the hours of 9:00 a.m. and 1:00 p.m. This closure will also include the Hillman off ramp from northbound State Route 99.

Closures may continue for longer periods of time each day if necessary, due to delays caused by weather or uncontrollable events that may occur during maintenance. This scheduled closure will occur, weather permitting. State Route 99 will be reduced to one lane in this area during work hours. Motorists can expect delays and are encouraged to take an alternate route if possible.

Caltrans Maintenance workers remind you to drive with extra care and allow additional travel time while travelling in the Tulare area. Please be alert for Road Maintenance Personnel and “Slow for the Cone Zone.”
