**-CORRECTION-
-MAINTENANCE RESCHEDULE-**

MAINTENANCE WORK ALONG SOUTHBOUND STATE ROUTE 99

WHAT: SLAB REPAIR PROJECT ALONG SOUTHBOUND 99 REQUIRES LANE CLOSURES

WHEN: **FRIDAY, EARLY A.M. FRIDAY, MARCH 27, 2:30 A.M. UNTIL 5:00 A.M.**

WHERE: CITY OF FRESNO; SOUTHBOUND 99 BETWEEN DAKOTA AND McKINLEY AVENUES.

The California Department of Transportation (Caltrans) announces maintenance personnel will continue concrete slab repairs within the **southbound (SB) #1 (fast) and #2 (middle) lanes** of State Route (SR) 99 beginning at 2:30 a.m. **FRIDAY morning. (Schedule or specific lane closures are subject to change due to unforeseen circumstances which may occur during maintenance operations.)**

Traffic delays are expected along southbound SR99 during this time as only ONE LANE, or the number three (slow) lane, closest to the right shoulder will be accessible to motorists within the work zone. It is anticipated that on and off-ramps within the project limits will remain open. Motorists are encouraged to avoid the area or use an alternate route whenever possible.

Portable changeable message signs (CMS) will be activated north of the project limits notifying motorists of lane closures and to expect delays.

Caltrans would like to thank motorists for their patience during this repair project. The public is reminded to be alert for Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please **"Be Work Zone Alert"** and **"Slow for the Cone Zone"** in all Construction and Maintenance Zones at all times.

For further information regarding this project, please contact the number listed above or follow us at www.facebook.com/caltrans.centralvalleydistrict6 or twitter at www.twitter.com/caltransdist6.
