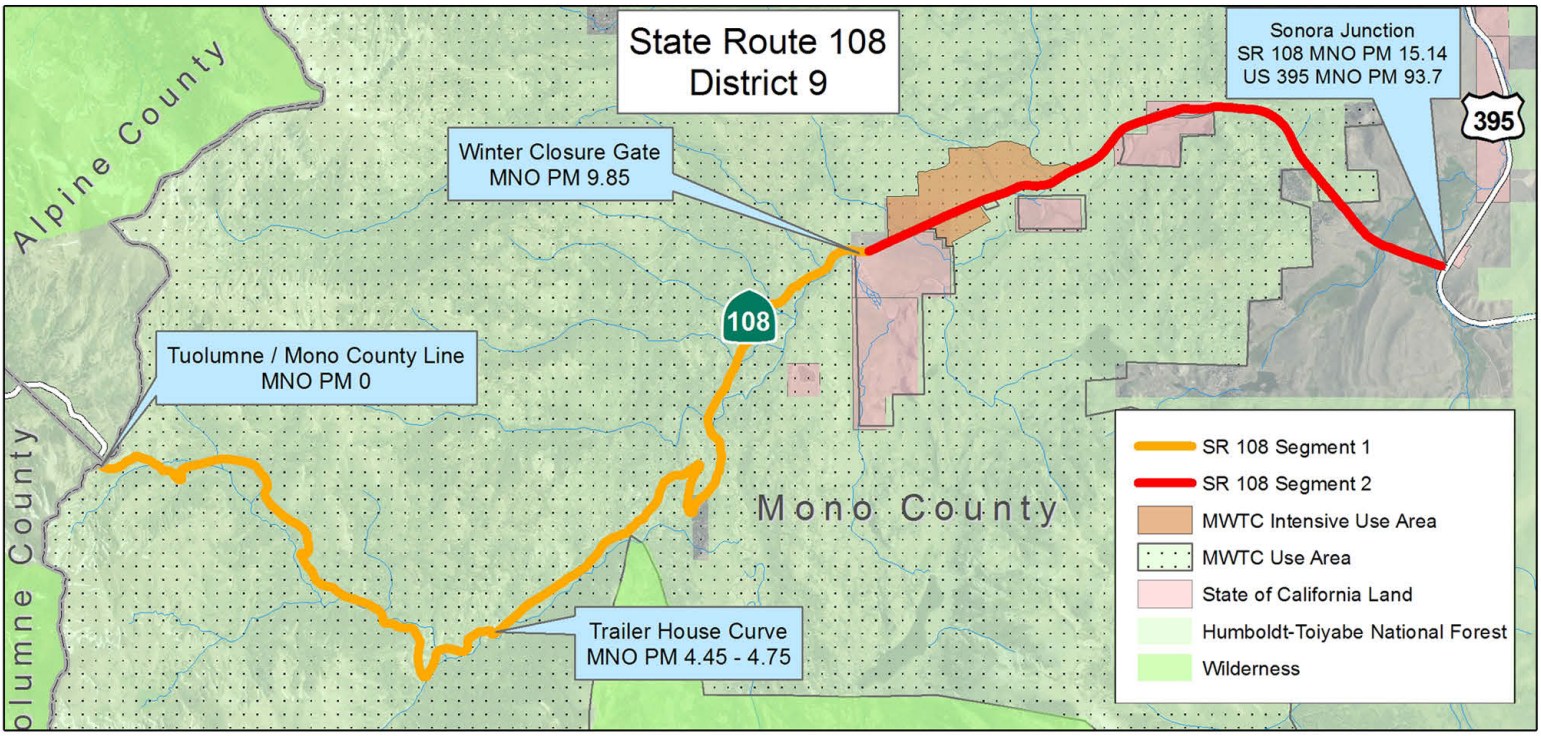
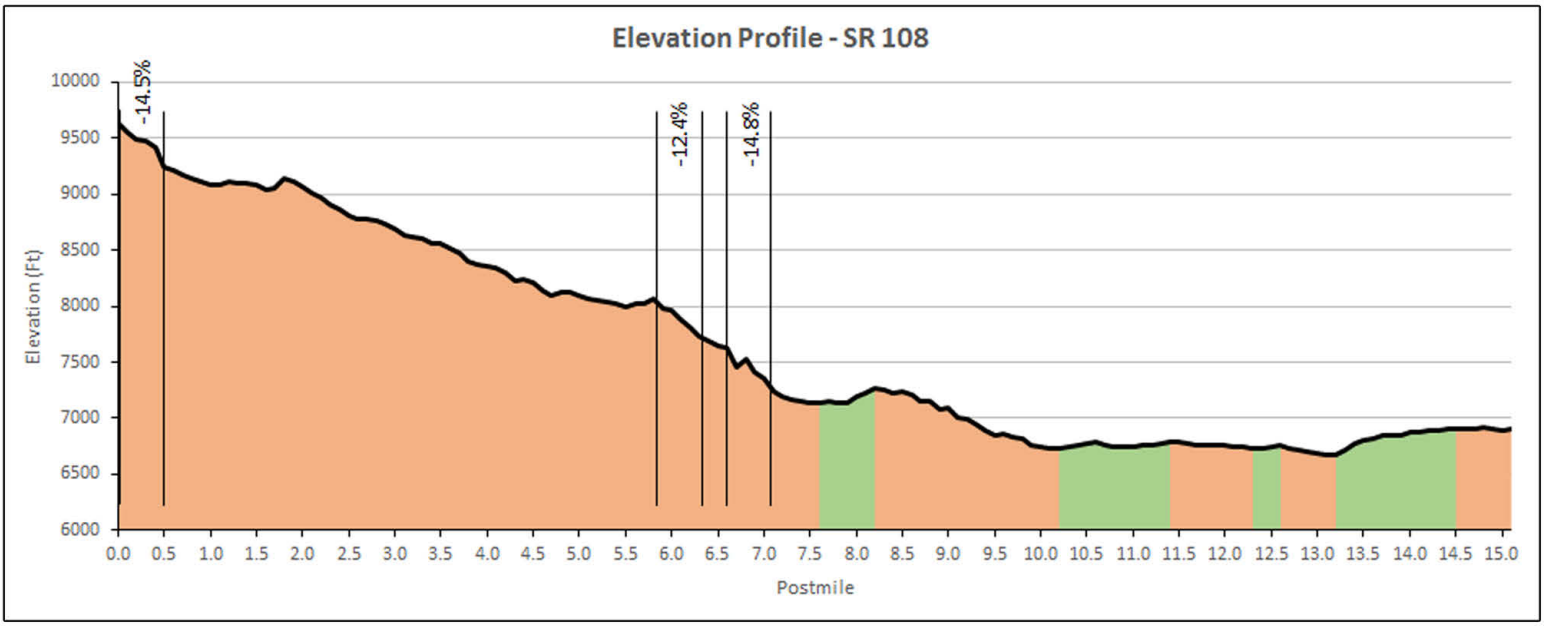
Caltrans District 9 Bicycle Guide

SR 108



Description:

State Route 108, from the highway's junction with US 395 to the Tuolumne/Mono County Line, is a 2-lane conventional highway with narrow shoulders. SR 108 traverses through a high alpine climate. Traffic is light and there are no communities nor support services along the route. SR 108 is subject to seasonal road closure during the winter months.

Services:


None.
