

# Tips for Completing Form 9-D

Use the Caltrans OBEO web page to search for certified DBEs to preform work on the contract.

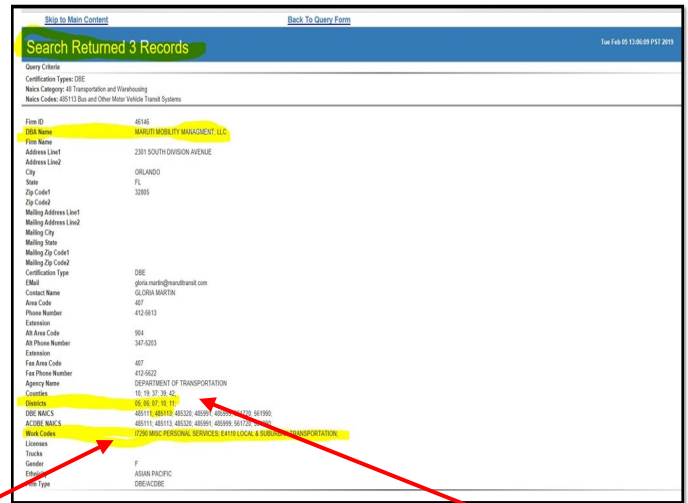

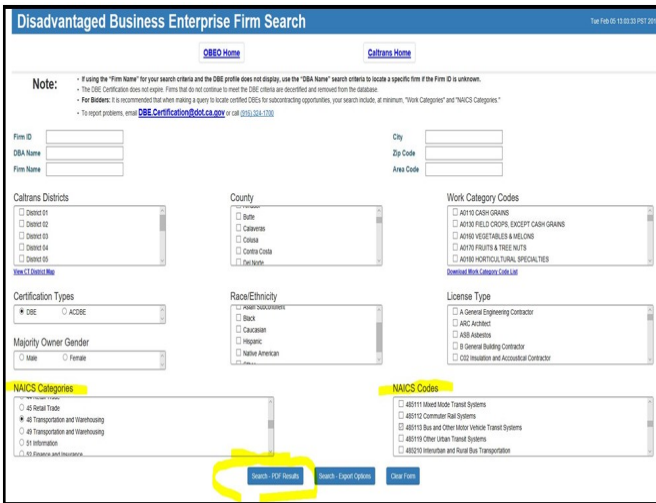

<http://www.dot.ca.gov/obeo/index.html>

This web page also provides links to a map of the Caltrans Districts and the Work Code Guide.

Link to the Work Code Guide

Look for relevant NAICS/Work codes for use on the contract.

Be sure the Work Code is specific to the type of work for the contract being procured.

If the District shows 00 is represents the ENTIRE state

Based on the search for DBE's available; develop the 9-D Form.
