Subject: Undertakings exempt from further review  

As you know, Attachment 2 of the Programmatic Agreement for Section 106 of the National Historic Preservation Act (PA) implemented January 1, 2004 identifies classes of screened undertakings. Certain ground-disturbing activities with minimal potential to affect historic properties may be screened by California Department of Transportation (Caltrans) Professionally Qualified Staff (PQS) in the appropriate cultural resources discipline. PQS may determine that one or more such activity has no potential to affect historic properties, and therefore is not subject to further review under the PA.

Separate from this list of screened undertakings, there are a number of non construction-related actions that may use federal aid highway funding and therefore meet the broad definition of an undertaking set forth in 36 CFR Part 800 (the regulations implementing Section 106) but have been determined by Cultural Studies Office PQS to have no potential to affect historic properties:

1. Ridesharing activities, including purchase of vehicles, but not including establishment of park-and-ride lots.
2. Program administration, technical assistance activities, and operating assistance to transit authorities to continue existing service or increased service to meet routine changes in demand.
3. Freeway service patrol.
5. Alteration of vehicles to make them accessible for the elderly or persons with disabilities.
6. Contracts to hire media organizations to produce non-English language commercials.
7. Purchase of transit fare boxes.
8. Upgrading diesel powered vehicles.
10. Classroom training.

47. Conducting road safety audits

Because Caltrans PQS staff have determined in advance that the above-listed activities do not have potential to affect historic properties, these activities may be considered exempt from Section 106 without further review by PQS. The provisions of this memo apply only when the federally-funded undertaking is limited to one or more of the activities listed above. Additional review by District PQS will be required if the undertaking involves any activities that are not listed herein, including those listed as screened activities in Attachment 2 of the PA.

This supersedes the memorandum on this subject dated January 16, 2006 (King to Abbott). If you have any questions, please contact Jill Hupp at (916) 654-3567 or jill_hupp@dot.ca.gov.
