

# POSTER CONTEST WINNERS

## 11 to 13 year olds:

**Kayla Ung** is a 12-year-old 7th grader at Toby Johnson Middle School. She loves drafting, crafting, Mamegoma, and creating miniature clay sculptures. She also enjoys drawing, especially anime characters. Her father, Edmund Ung, is a senior electronics engineer. Kayla wants drivers to be alert for activities in construction zones so her dad and all other moms and dads are safe while working in the cone zone.
