

## BOOKMARKS

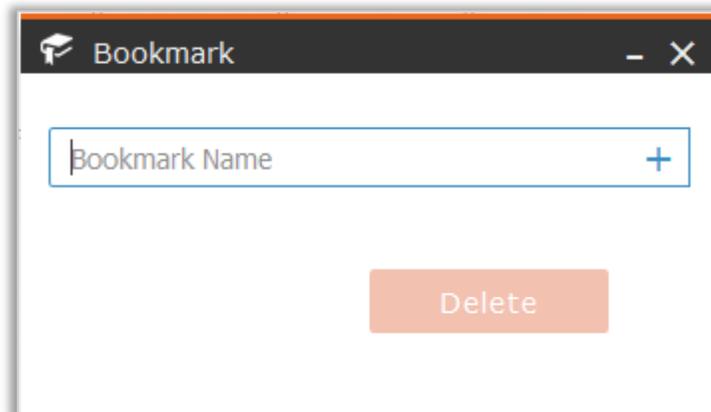

The purpose of the tutorial is to showcase the functionality of the **Bookmark** tool. The *Bookmark* tool is used to bookmark locations on the map, and go back that location at a later time.

1. The *Bookmark* tool is found in the *Map Tools* menu folder, at the bottom of the screen.

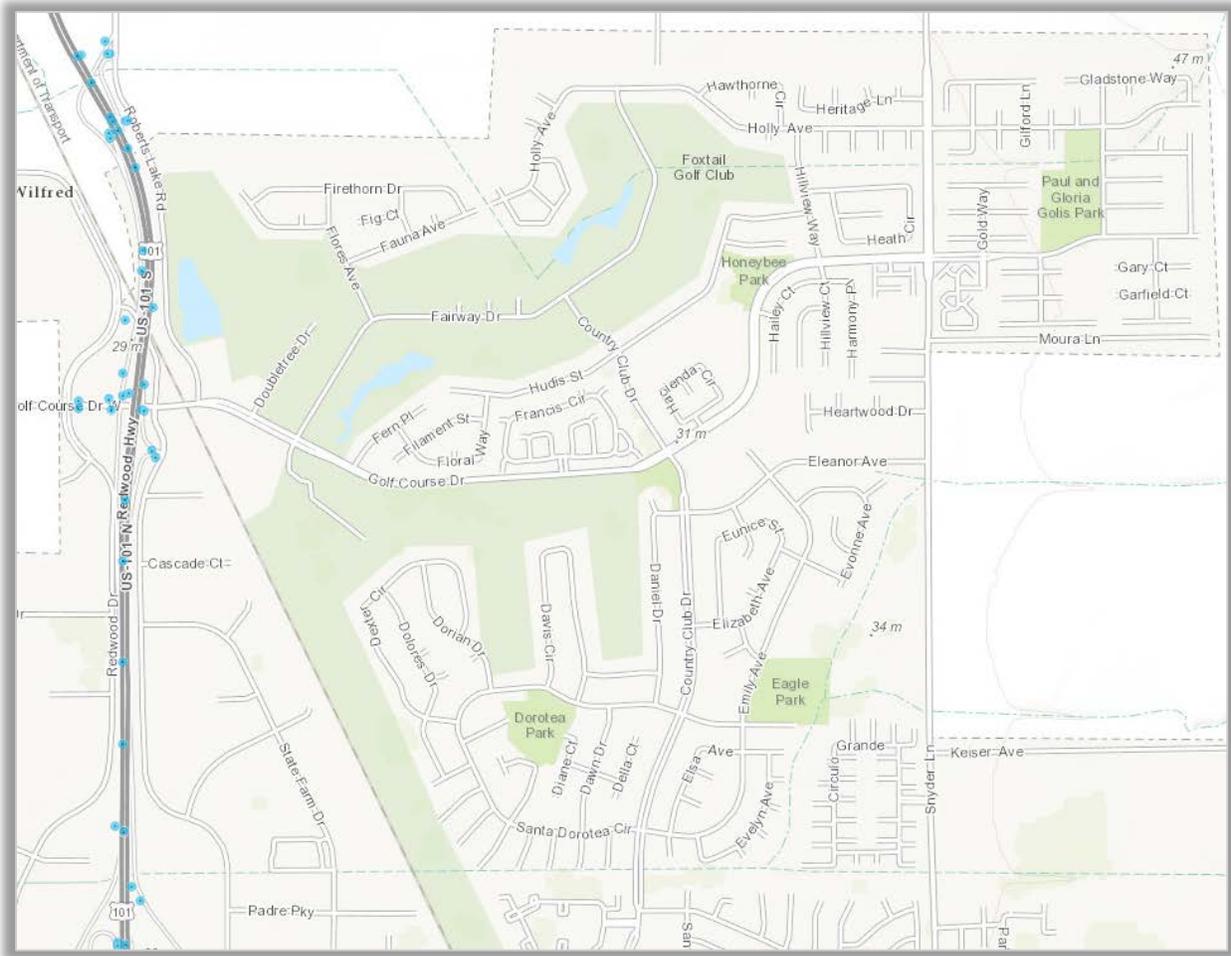

The *Bookmark* tool is located in the *Map Tools* menu folder at the bottom of the screen.

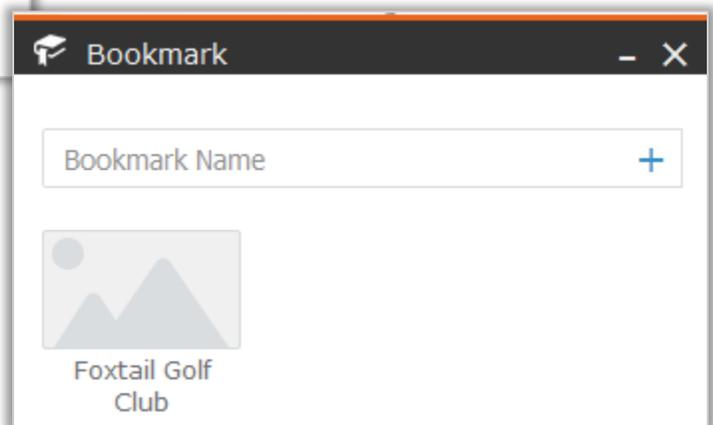

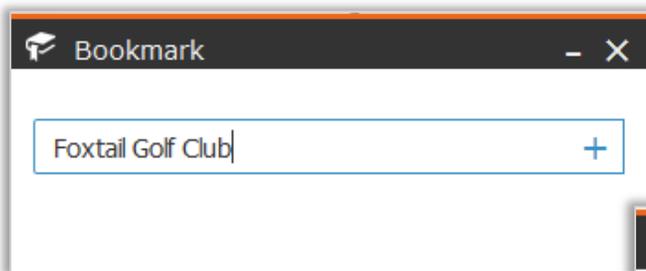

2. When selecting the *Bookmark* tool, a window appears and is ready to set the bookmark to the desired location.

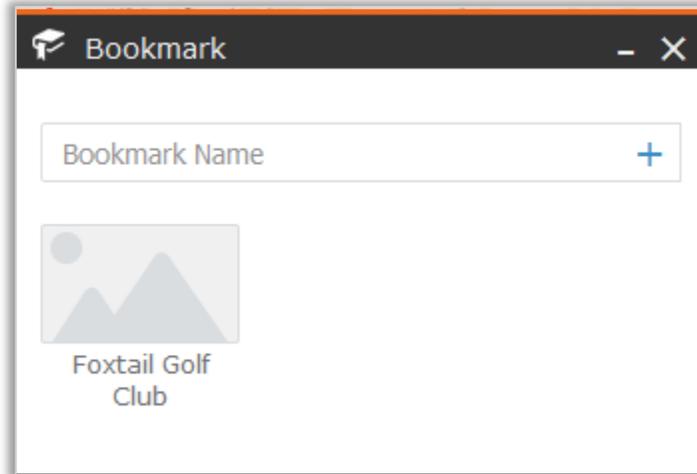

3. First choose the location you want to bookmark on the map.

4. Next, type the name of what you want to call your bookmark and hit the + at the end of the text field, or hit *Enter*.

5. Whenever you return to the application, your set bookmarks will appear when you click on the *Bookmarks* icon.

6. And to delete a bookmark, click on the bookmark you want to delete, and click the *Delete* button at the bottom of the *Bookmarks* window.
